(b) what steps the Central Government have taken to implement the scheme; and

(c) if the reply to part (b) above be in the negative, what are the reasons therefor ?

THE DEPUTY MINISTER IN THE MINISTRY OF IRRIGATION AND POWER/foraIt «fa firep ticHHH 8f 3«TOoft (SHRI BAIJ NATH KUREEL): (a) The West Bengal Government have formulated a comprehensive scheme for flood control and drainage improvement which includes

the construction of embankments on the Mundeshwari. The first stage of the scheme estimated to cost Rs. 6.8 crores and comprising re-sectioning of the Amta channel (Lower Damodar), construction of an out-fall sluice on the Amta channel and excavation of drains in the Amta basin has been approved by the Planning Commission. The State Government have informed that the detailed scheme for the balance works in the comprehensive scheme which includes embankments on both banks of the Mundeshwari and improvement of flood carrying capacity of Rupnarain river dredging has been prepared at an estimated cost of Rs. 8.68 crores and will be sent to the Centre for scrutiny shortly.

(b) and (c) Flood control schemes are included in the State Plan and therefore, their implementation is the responsibility of the State Government.

The State Government have already taken up the implementation of works included in Phase I which has been approved by the Planning Commission. Work on the balance parts of the comprehensive scheme is to be taken up after it is approved by the Planning Commission. It has been suggested to the State Government that the entire scheme should be implemented on a priority basis within next three years.
