STATEMENT

A number of agencies are implementing the Accelerated Recovery-cwm-Development Programme in Calcutta Metropolitan Area. These include the Departments of the State Government, statutory authorities, local bodies, Improvement Trusts, etc. The Calcutta Metropolitan Development Authority has been assigned the role of co-ordinating the implementation of various schemes. Such co-ordination is achieved by the Calcutta Metropolitan Development Authority through frequent meetings at different levels with the implementing agencies and other concerned organisations. Four special Engineers and one Chief Engineer of Calcutta Metropolitan Development Authority look after co-ordination in assigned sectors of development. In addition Union Health Secretary has been periodically taking review meetings at which the concerned Ministries of the Central Government, Departments of State Government and implementing agencies are present

Apart from appraising the progress of development schemes, difficulties and bottlenecks are sorted out in these meetings which have become good means of co-ordination. The problems arising out of the lack of coordination are being increasingly overcome as a result of these measures.
