

[Shri Bipinpal Das]

Are they doing it under the order and sanction of the Pakistan authorities? Our attitude towards this will depend upon our assessment about the nature of the incidents. I want to know precisely from the Government what their assessment is, how they look at it. Now the Chief Minister of Assam has very emphatically said in the State Legislature that this is an act of aggression. Now when the Chief Minister of a State says like that on the floor of the Legislature I think the matter is certainly a little more serious.

Then I would like to draw the attention of the Minister—I tried to do this in the past also—that intense activities by the CIA agents and Chinese agents are going on in that area and when you look at these intrusions or aggressive activities in the background of these activities of the foreign agents, the gravity of the situation certainly assumes added significance.

The third point is, the Minister has said that the BSF is quite competent and well trained to meet such a situation. Now everybody knows that there is a difference between the BSF and the Army.

MR. DEPUTY CHAIRMAN : Please put your question.

SHRI BIPINPAL DAS : I am putting the question.

The BSF is trained for a particular purpose, to do a particular job. I want to know from the Minister whether, in view of this situation developing fast, in view of the statement made by the Chief Minister of Assam, in view of the characterisation of these incidents as aggressive activities, the BSF is competent to meet such a situation or not. If not, is the Government prepared to send our army to the border?

MR. DEPUTY CHAIRMAN : He has already replied to that question.

SHRI BIPINPAL DAS : I am making it very clear.

MR. DEPUTY CHAIRMAN : He has said that the Army is alert and Government would take a decision whenever it requires to be done.

SHRI BIPINPAL DAS : Sir I am asking. I

why we do not send the Army to the border. If Pakistan goes on with these activities—Sir, I do not want a war with Pakistan and that is one of the reasons why I am not in support of recognition of Bangladesh; it is the Government prepared at least to send a warning to Pakistan that if they go on like this we shall be compelled by circumstances to send our Army into Bangladesh which is now under the wrongful occupation of Pakistan?

SHRI JAGJIVAN RAM : All these questions have been answered.

MR. DEPUTY CHAIRMAN : If you want to add anything more you may do so.

SHRI RAM NIWAS MIRDHA : I have already answered these.
