ZINC FACTORIES IN INDIA

*291. SHRI K. CHANDRASEKHARAN: Will the Minister of STEEL AND MINES/इस्पात और खान मंत्री be pleased to state:

(a) whether there is a shortage of Zinc in the country;

(b) number of Zinc factories in the private and public sector in the country and places where these factories are situated;

(c) whether it is a fact that Cominco Binani Limited, Kerala, has been out of production for some time due to the labour trouble; and

(d) if so, the details thereof?

THE MINISTER OF STEEL AND MINES/इस्पात और खान मंत्री (SHRI S. MOHAN KUMARAMANGALAM):

(a) Yes, Sir. The present annual requirements of zinc are estimated at 117,100 tonnes as against indigenous production of about 23,000 tonnes.

(b) At present there are two zinc smelters in the country—one in the private sector at Alwaye (Kerala) of M/s. Cominco Binani Zinc Ltd. based on imported zinc concentrates with a capacity of 20,000 tonnes per annum. The other smelter which is in the public sector is based on zinc ores raised from Zawar mines (Rajasthan) and is located at Debari near Udaipur. It has a capacity of 18,000 tonnes per annum and is worked by Hindustan Zinc Limited, a Central Government Company.

(c) and (d) Yes, Sir. M/s. Cominco Binani Zinc Limited have reported stoppage of production in their zinc smelter at Alwaye due to strike by the workers since the middle of March, 1971. The strike, it is reported, was in protest against disciplinary action taken by the Management against an employee. The matter is stated to have been referred for adjudication consequent on the failure of conciliation proceedings.
