THE MINISTER OF COMMUNICATIONS/ ^R m\ (SHRI H. N. BAHU-GUNA) : (a) and (b) A scheme including the following proposals for the development and improvement of P&T facilities in the Andaman and Nicobar Islands is currently under examination.

(i) Formation of a separate Postal Division for the administration of the Postal Services on the Islands. This would also enable the islands to be regarded as a separate unit of recruitment for the clerical grades in the Post Office and would obviate the need to bring staff from the mainland.

(ii) Utilisation of all available steamer services, both passenger and cargo, for conveyance of mails between the mainland and the Islands.

(iii) Utilisation of sailings of all Government vessels between the various Islands on other duties for conveyance of mails between various post offices.

(iv) Opening of a floating mobile Post Office on an experimental basis by the inter-Island steamer serving the Southern group of Islands.

(v) Improvement of the Wireless-Telegraph and Radio links between the mainland and the Islands.

(vi) Provision of Wireless-Telegraph/ Radio Telephone links for inter-Island communication working between Port Blair
