

the Foundry Forge Plant is still to be completed. The present capacities of the plants and the actual production during 1970-71 are as under —

Plant	Present-capacity	Production in 1970-71
Foundry Forge Plant	133,460 tonnes	39061.57
Heavy Machine Building Plant	105,000 tonnes	22966.1
Heavy Machine Tools Plant	278 units	28 units

Build up of production in a complex like that of Heavy Engineering Corporation is inevitably a slow process and depends on a number of factors such as development of adequate skills to master technological problems, efficient managerial control and harmonious industrial relations

A number of steps have been and are being taken over a wide front to improve planning and production control, instal objective oriented programmes, improve the efficiency of management and the productivity of workers. As a result of these measures, the performance of Heavy Engineering Corporation is expected to improve significantly over the next two years.]

DIFFICULTIES FACED BY SUGAR INDUSTRY

951 DR BHAI MAHAVIR
SHRI DEVDATT KUMAR
KIKABHAI PATEL
SHRI MAN SINGH VERMA

Will the Minister of AGRICULTURE/कृषि मंत्री be pleased to state

(a) whether Government's attention has been invited to the advertisement issued in the newspapers by the South Indian Sugar Mills Association about the difficulties faced by the sugar industry,

(b) if so, whether it is losing Rs 11 per bag of sugar,

(c) whether it is also a fact, Government's release order of sugar are not equitable as alleged in the advertisement, and

(d) the circumstances under which Government have not acted on the

recommendation of the Sugar Enquiry Commission and Tariff Commission to build up a buffer stock of sugar?

THE MINISTER OF STATE IN THE MINISTRY OF AGRICULTURE/ कृषि मंत्रालय में राज्य मंत्री
(PROF SHER SINGH) (a) Yes, Sir.

(b) No date have been furnished to assess the alleged loss. Further controls on price, distribution and movement of sugar have been removed with effect from the 25th of May 1971.

(c) There has been some disparity in proportion of stocks to production of sugar with factories in various zones mainly due to non lifting of levy sugar quotas in full by the State Governments or their nominees and due to releases of sugar for export. Government have tried to reduce disparity as much as possible by linking releases of sugar for sale to stocks instead of production and also by giving additional releases to factories having larger proportion of stocks.

(d) Government have since removed controls on price distribution and movement of sugar, but will continue to regulate releases of sugar for sale by factories. By a process of judicious releases it will be ensured that adequate stock of sugar is available with factories to meet future contingencies.

कम्पनियों का बन्द किया जाना

952 श्री सूरज प्रमाद क्या श्रम और पुनर्वासि मंत्री यह बताने की कृपा करेंगे कि

(क) क्या सरकार ने ऐसी कम्पनियों की सूची तैयार की है जिन्होंने गलत बहाने
