The management had also observed all the statutory formalities in connection with this retrenchment and had even made *ex-gratia* payment in respect of some workers. (i) The float ore contractor for the Donimalai Project has been asked to give preference to these former workmen in employment.

(ii) If group of these workmen come forward to accept on contract piece work any all such works, they will be awarded to them, on single tender basis at the estimated rates which are based on the 1970-71 local P.W.D. schedule of rates which are found to be generally workable. Two such works have already been given on contract with such stipulations.
