कृषि मंत्री

pleased to state :

(a) whether Punjab Government have requested the Central Government to take steps to check the growing prices of agricultural inputs in India and bring them down to the level prevailing in 1969 :

(b) the details of the communication received from the Punjab Government in this regard : and

(c) the reaction of the Government of India thereto?

THE MINISTER OF STATE IN THE MINISTRY OF AGRICULTURE/

कृषि मंत्रालय में राज्यमंत्री

(SHRI ANNASAHAB P. SHINDE) : (a) to (c). A statement is laid on the Table of the Sabha.

STATEMENT

(a) The communication in question does not appear to have been received. It is true that the price of certain inputs have risen marginally during 1970-71 as compared to 1969-70 according to the All India index numbers of important agricultural inputs, except diesel oil. However, the Government reduced the prices of popular varieties of imported fertilisers during 1969-70 and 1970-71. The price of a particular variety of ammonium sulphate was reduced by Rs. 100/- per M. T. during 1969-70. Recently, the price of urea has been reduced by Rs. 20/- per M. T. with effect from 4.3.1971. There is also a downward trend in prices of seeds of established varieties.

(b) and (c) In view of the answer to part (a), the question does not arise.
