R.S./70

THE MINISTER OF STATE IN THE MINISTRY OF EDUCATION AND YOUTH SERVICES (SHRI BHAKT DARSHAN) : (a) and (b) A statement is laid on the Table of the Sabha.

STATEMENT

Pay scales of Delhi Teachers

The Committee on Petitions of the Rajya Sabha had made the following observations/recommendations on the Teachers Petition :—

(i) The Committee recommend that Government should find out ways and means to remove the grievances of the Delhi School teachers arising from the disparities of the pay scales by increasing the maximum of their pay scales.

(ii) Government might also consider whether teachers, who have not derived any monetary benefit in the matter of fixation of pay, could be given an additional increment as recommended by the Delhi Administration.

So far as recommendation (ii) is concerned, the Government of India have since decided that the pay of all categories of teachers, whose scales of pay were revised, should be fixed in the revised pay scales effective from 21-12-1967, at the next higher stage with date of annual increment unchanged. This has been done by deviating from the normal principles of pay fixation, as a very special case. This decision was taken keeping in view also the recommendation of the Committee of Petitions.

So far as recommendation (i) is concerned, the matter has been carefully considered by the Government. The Government are, *inter alia*, of the opinion that a comparison in terms of percentage increases cannot be considered to be quite appropriate in this case considering that the revised scale of the Principals took into account also, *inter-alia*, the comparability of qualifications prescribed for the Principals to those of the University/College Teachers. A straight application of the arithmetic may not therefore, be relevant in deciding the appropriate maximum to be allowed in the scales
