

THE MINISTER OF PETROLEUM AND NATURAL GAS (SHRI MANI SHANKAR AIYAR): (a) and (d) The public sector oil marketing companies (OMCs) make efforts to issue Letters of Intent (LOIs) to the dealers-select for outlet dealerships, as per schedule. In spite of that, on occasion, delays occur in the issue of LOIs because of complaints, court cases, etc., received against the selections, and consequent enquiry into the complaints, etc. However, in respect of 'A' site (company-owned) retail outlets, where land has already been acquired by the companies pending selection of dealers, oil companies usually take action to set up the retail outlets and start the operation in order to avoid loss through keeping facilities idle, as also to ensure that consumers do not suffer. Such outlets are operated by the oil marketing companies on a company-owned-company-operated/ad *hoc* basis till pre-ailotment formalities are over and the OMCs are in a position to hand over such outlets to the selected dealers.

(b) and (c) Though Hindustan Petroleum Corporation Limited selected a dealer in the month of July, 2004 for their proposed retail outlet dealership at Nawabganj, Bareilly, they could not issue the LOI to the dealer-select because of complaints received in the matter. The issue of the LOI in this case will depend on the outcome of the enquiry into the complaints and the decision taken by the competent authority.
