NATIONALISATION OF SUGAR MILLS IN STATES

•133. SHRI BABUBHAI M. CHINAI: Will the Minister of FOOD AND AGRICULTURE be pleased to state:

(a) whether Government have consulted legal experts in regard to the States' capacity to nationalise sugar mills; and

(b) if so, what are the details of such consultation?

THE MINISTER OF STATE IN THE MINISTRY OF FOOD, AGRICULTURE, COMMUNITY DEVELOPMENT AND COOPERATION (SHRI ANNASAHEB SHINDE): (a) Yes, Sir.

(b) The legal opinion is that a State Legislature is also competent to make a law for the acquisition of sugar undertakings.

SHRI BANKA BEHARY DAS: There has been a persistent demand for the nationalisation of sugar mills in this country and I am sorry that for a few months there was a little bit of political overtone in this matter when a Resolution was passed, as regards UP is concerned, in a particular session of the Congress Party. So, may I know from the Government, in view of the fact that the sugar industry has been by and large controlled by the Government of India as regards the price of sugar-cane and the price of sugar, whether they will finally decide that the sugar industry as a whole in the country, in the interests of the nation and its economy, will be taken over without waiting long for Committee Reports?
