SHRI N. R. MUNISWAMY : Sir, you say that the rules do not permit it. All right, if the rules stand in our way, I am not going to question them. But we should understand the rules. They can be suspended if we want. But I cannot understand why your Secretariat should go on egging that the rules do not permit it. Sir, it looks as though you have got a rule-ridden staff that will not allow you any discretion. The House has got the entire discretion, not the rule-ridden staff going and telling you that the rules do not permit. What are the rules ? The rules are made by us. I have no objection to withdraw the Resolution and I withdraw it.

THE VICE-CHAIRMAN (SHRI AKBAR ALI KHAN) : Thank you. The Resolution has been withdrawn.

Now, before we adjourn ...

SHRI N. R. MUNISWAMY : Sir, the rules also want that permission of the House be sought for the withdrawal. But you have not done it.

THE VICE-CHAIRMAN (SHRI AKBAR ALI KHAN) : All right. Is it the pleasure of the House that permission be granted to Shri N. R. Muniswamy for withdrawing his Resolution ?

[jVo hon. Member dissented]

THE VICE-CHAIRMAN (SHRI AKBAR ALI KHAN) : Permission to withdraw the Resolution is granted.

SHRI N. R. MUNISWAMY : Sir, I withdraw my Resolution.

## ANNOUNCEMENT RE GOVERN-MENT BUSINESS

THE VICE-CHAIRMAN (SHRI AKBAR ALI KHAN) : The Business Advisory Committee at its meeting held today recommended allocation of time for Government and other business as follows;

Consideration and return of the Contingency Fund of India (Amend-ment) Bill, 1970—1 hour. i i

- 2. Consideration and passing of :
  - (1) The Petroleum (Amendment) Bill, '970—1 hour.
  - (2) The North Eastern Council Bill, <sup>r</sup>970–2 hours.
  - (3) The Indian Medicine and Homoeopathy Bill, 1969, as reported by the Joint Committee-3 hours as already allotted.
- 3. Discussion on allegations of use of money power lin recent biennial elections—After the disposal of the Indian Medicine and Homoeopathy Bill, discussion, if time permits on that day.

SHRI KRISHAN KANT (Haryana) : Sir, it means that if there is no time, it cannot discussed.

THE VICE-CHAIRMAN (SHRI AKBAR ALI KHAN) : We have already extended the session by two days. I am just communicating to the House the business for next week as recommended by the Business Advisory Committee.

SHRI KRISHAN KANT: That is all right. But this was asked for in the last session and it should be discussed. Some time should be found for it. We are sitting on Saturday and we can find some time on that day. When the Chair has ordered a discussion on that, it is not proper to say "if time permits". We are coming to the end of the session now and we say we are postponing it. It is unfair.

SHRI M. S. GURUPADASWAMY (Mysore) : May I say a word, Sir ? We are bound by the decision of the Business Advisory Coriamittee. I do not want to question its decision. But the Business Advisory Committee itself has suggested that it is injportant and if time permits it should bfJ taken up. I only say that time should] be found for it. There should be not douhnt about it. I think if one or two Bills can be postponed, they must be postponed bill t(he next session, because this is a matter whicf has been talked about in both Housejv of Parliament and outside. I think this Lhould be done and one or two unimportattnt Bills can be postponed,

THE VICE-CtilAIRMAN (SHRI AKBAR ALI KHAN) : Your suggestion will be noted. ThereVare two or three Bills for which let us see :*S* we could reduce the time ...

SHRI R. S. DOOGAIv\* (West Bengal) : I was present at the meeting of the Business

Advisory Commitl :e and we discussed the point now raised by Mr. Gurupadaswamy. There arc four small Bills which we think will be < ompleted before lunch hour on Tuesday. In'all probability I think Mr. Krishar Kant's Resolution on money power will ;ome up for discussion. I think it is very 1 kely to come up.

SHRI KRISH. 0>J KANT : It is not a question of "likel". It must be discussed.

SHRI R. S. DOOGAR : We have discussed this mal er in the Business Advisory Committee ; ad the Business Advisory Committee is of the opinion that there should be no diff culty for the resolution to come up for discussion.

THE VICE-C IAIRMAN (SHRI AKBAR ALI KHAN) : I think as it is the desire of the ] louse, with the cooperation of the House we will be able to reduce the time of the jther Bills as suggested by Mr. Doogar, md we will try to find time for this . The concerned officers will take note oi it.

- Discussion on the working of the Ministry of Foreign Trade—1 day (May 22).
- 6. Discussion on the recent communal disturbances in Maharashtra— May 23.
