SHORTAGE OF COTTON

1202. SHRI U. K. LAKSHMANA GOWDA: Will the Minister of FOREIGN TRADE be pleased to state:

(a) whether it is a fact that there is a possibility of shortage of cotton in the internal market after satisfying the export commitments in view of low cotton harvest in 1969-70; and

(b) if so, what steps have been taken by Government to meet the domestic requirements and hold the price line of cotton ?

THE DEPUTY MINISTER IN THE MINISTRY OF FOREIGN TRADE (CHOWDHARY RAM SEWAK) : (a) Availability of domestic cotton during the cotton year 1969-70 has been somewhat unusually below the level of cotton requirements. Exports of cotton are confined to certain specific varieties which are either not spinnable or the production of which is in excess of the demand and, therefore, do not affect this position.

(b) Steps taken are :—

(i) arrangements have been made for additional import of cotton/staple fibre ;

(ii) limits upto which cotton stocks can be held by the mills have been reduced by one month; and

(iii) credit limits in respect of cotton have been suitably adjusted.
