Will the Minister of FINANCE be pleased to state:

(a) whether it is a fact that Government pensioners have been adversely affected by high prices;

(b) if so, whether Government propose to merge the dearness allowance with pension;

(c) if the answer to par (b) above be in the affirmative, what are the details in this regard; and

(d) if the answer to part (b) above be in the negative what are the reasons therefor?]

वित्त मंत्रालय में राजस्व तथा व्यय मंत्री (श्री विद्याचरण शुक्ल) : (क) से (घ) ऊंची कीमतों का प्रभाव पेंशनरों पर भी उसी प्रकार पड़ता है, जिस प्रकारसे आम जनता पर। लेकिन, पेंशनरों में एतदर्थ वृद्धि मंजूर करके अल्प पेंशन पाने वालों को पहले ही राहत दी जा चुकी है। यह वृद्धि एतदर्थ किस्म की है और इसका सम्बन्ध जीवन निर्वाह मृत्यु से नहीं है। सेवारत सरकारी कर्मचारियों को मिलने वाले महंगाई भत्ते से भी, यह भिन्न है। महंगाई के एक अंश को वेतन में शामिल कर देने के कारण 11101- रुपये तक प्रति माह वेतन पानेवाले तथा 1-12-1968 को अथवा उसके बाद सेवा निवृत्त होने वाले, सरकारी कर्मचारियों को मिलने वाली पेंशन की हकदारी में सुधार हुआ है।

†[THE MINISTER OF REVENUE AND EXPENDITURE IN THE MINISTRY OF FINANCE (SHRI VIDYA CHARAN SHUKLA): (a) to (d) Pensioners are affected by high prices in the same way as members of the general public. Small pensioners have, however, already been given relief by grant of *ad hoc* increase in pensions. Such increase is of *ad-hoc* nature and is not linked with the cost of living. It is also distinguishable from dearness allowance admissible to serving Government employees. Pensionary entitlement of Government servants in receipt of pay up to Rs. 1119 per month and retiring on or after 1-12-1968 have improved significantly as a result of merger of part of dearness allowance with pay.]
