#### CRIME SITUATION IN DELHI

\*370. SARDAR HARCHARAN SINGH DUGAL : Will the Minister of HOME AFFAIRS be pleased to state :

(a) whether Government are aware that law and order situation is constantly deteriorating in Delhi where cases of looting, murders and abduction are taking place increasingly;

(b) whether it is a fact that the political influence make the police and other authorities unable to take severe and positive action against the culprits;

(c) if so, how Government propose to check such incidents and enforce law and order in the Capital;

(d) what is the total number of murders which took place in the Capital during 1969; and

(e) the nature of punishment given to the criminals in different cases and whether it is a fact that most of the cases have not been traced by the police as the criminals are absconding?

THE MINISTER OF STATE IN THE MINISTRY OF HOME AFFAIRS (SHRI VIDYA CHARAN SHUKLA) :

(a) It is not a fact law and order situation is constantly deteriorating in Delhi. The attached Statement gives the figures of crime under various heads reported to Delhi Police during the years 1966, 1967 and 1968 from 1-1-1969 to 31-10-1969 as compared to the figures in the corresponding period of the preceding year. [See Appendix LXX, Annexure No. 56]. Considering the increase in the population of Delhi the marginal increase in crime in certain heads does not show any deterioration in the law and order situation.

(b) There is no evidence to substantiate that political pressure and influence make the police and other authorities unable to take severe and positive action against the culprits.

(c) Does not arise.

(d) 80 (upto 31-10-1969).

(e) A Statement is attached giving the present position regarding the disposal of cases under various heads of crime reported to Delhi Police during the period 1-1-1969 to 31-10-1969. [See Appendix, LXX, Annexure No. 57]. It is not a fact that cases are untraced because the criminals are absconding.
