CALLING ATTENTION TO A MATTER OF URGENT PUBLIC IMPORTANCE

BURNING OF THE AL AQSA MOSQUE IN JERUSALEM

THE DEPUTY CHAIRMAN : I have a number of names on this Calling Attention Notice and I am sure the House would not like me to call all of them. I think you will all give the discretion to the Chair. We will not take more time on this.

SHRI KRISHAN KANT (Haryana) : I beg to call the attention of the Minister of External Affairs to the burning of the Al Aqsa Mosque in Jerusalem.

THE MINISTER OF EXTERNAL AFFAIRS (SHRI DINESH SINGH) : Madam Deputy Chairman, our Embassy in Amman has confirmed news reports that the famous Al Aqsa mosque in Jerusalem was set on fire around 7 A.M. on Thursday, 21st August, 1969. The fire lasted about three hours. It caused extensive damage to the south eastern wing of the mosque. The central portion including the main dome was fortunately spared.

This barbaric act has deeply shocked the Government and people of India. I am confident the House shares this distress and will join me in strongly condemning this act of sacrilege. The world community has been seriously concerned about the continued occupation of Jerusalem by Israel in disregard of the resolutions of the United Nations. The present incident has aroused legitimate apprehensions about the safety of the holy places and led to serious deterioration of the situation in West Asia. It is our view that Israel cannot be absolved of responsibility for this outrage. We have, therefore, to proceed with utmost urgency to seek immediate implementation of the Security Council resolutions on Jerusalem.

We have already instructed our Missions in West Asia and friendly countries elsewhere to co-operate in efforts to improve the present situation and to ensure security for the holy places of all faiths in the Eternal City.

SHRI KRISHAN KANT : While the heinous crime against not one religion but against all humanity is the most condemnable thing that has happened, the situation has arisen at a time when there is a complete stalemate in the crisis in West Asia. Israel has completely refused to obey or to accept any of the Resolutions of the Security Council and the UN seems to be a helpless spectator in this matter. Will it be possible for the Government to move that because the other suggestions have failed, the question of sanctions against Israel should be applied and those very Powers who otherwise are with the Security Council in passing the Resolutions should come forward to see that sanction is applied in the supply of military arms and arms aid to Israel and any other economic aid which the Western Powers are giving her? It is really very unfortunate that only a few days back it had come in the press that 25 Pham-tom jets and 80 Skylarks have been given by the US to Israel. In view of this may I know whether the Government will move in this direction and see that the conscience of the world is aroused so that no action is taken by Israel in this connection against humanity?

SHRI DINESH SINGH : I am one with the hon. Member when he says about the situation in West Asia and also that this is a matter which has shocked the conscience of the world »nd

it is not only limited to any one religion but it is the concern of the world community as a whole and all the persons, irrespective of their religious beliefs. So far as the action to be taken against Israel is concerned, this is a matter which will have to be considered carefully by the international community and I would not like to say at this stage what will be our stand on this.

SHRI B. V. ABDULLA KOYA (Kerala) : In view of the international sentiments, especially of the Muslim world and considering the religious and historical monuments of world repute involved, may I know from the Government what steps they propose to take in the UN and all the diplomatic level in the matter ? Will the Government be prepared to ask for an international enquiry for the punishment of the culprits, for adequate payment of compensation and for the liberation of the areas illegally occupied by Israel ?

SHRI DINESH SINGH : When this matter comes up for discussion in the UN, we shall certainly keep these points in mind as well as those raised by the Member here.

SHRI NIREN GHOSH (West Bengal) : I agree with the Minister that it has shocked the conscience of the world but the only remedy seems to be that Israel should be confined to Israel and it should not have any control over territories outside Israel, whether it is Jerusalem or the other conquered territories. Then only this tension can be stopped. The Government should take the initiative for a move before the UN Assembly and see that Israel is concerned and is confined to its own territory so that this source of tension is removed. I want to know whether the Government will move in this direction.

SHRI DINESH SINGH : Yes, we have said it on a number of occasions, that the territories occupied by Israel by aggression must be given up and this has been made known on several occasions. This is what I have mentioned in the statement also. We shall certainly press for this.

SHRI BALACHANDRA MENON (Kerala) : Will the Government take the initiative to see that an international enquiry is conducted by the UN regarding the burning of this mosque and also insist that Israel gives all help for such an enquiry ?

SHRI DINESH SINGH: Madam, this is what I mentioned earlier, and it is that when this matter comes up in the United Nations we shall bear all this in mind.

شری ایم-اسعد مدنی (اتر پردیش) :

سب کو یہ بات معلوم ہے کہ بیت المقدس صرف مسلمانوں کا نہیں ہے مسلمانوں اور عیسائیوں سب کے سب کا مقدس مقام ہے۔ چودہ سو سالوں سے یہودیوں کی عبادت گاہ جسے کہ دیوار کرویہ اور اسی طرح کرسچین کی مذہبستانہ القیامہ، بیت اللحم وغیرہ مقامات مقدسہ محفوظ رہے مسلمانوں کی نگرانی میں اور کبھی کسی کو شکایت نہیں ہوئی۔ اسی طرح سے کنیستہ القیامہ میں حضرت عمر جب گئے نماز کا وقت تھا لوگوں نے کہا یہیں نماز پڑھ لیجئے انہوں نے کہا کہ نہیں میں یہاں نماز نہیں پڑھوں گا میں میدان میں نماز پڑھوں گا۔ ہو سکتا ہے کہ کل کوئی یہ کہہ کر کہ حضرت عمر نے یہاں نماز پڑھی تھی کنیستہ القیامہ کو مسجد بنالے۔ چنانچہ میدان میں نماز پڑھی وہیں لوگوں نے دیوہ پونے دو سو سال کے بعد مسجد عمر بنا ڈالی اور کنیستہ القیامہ آج تک محفوظ رہی۔ ان تمام چھڑوں کے باوجود چودہ سو سال تک عیسائیوں کی، یہودیوں کی ہر چھڑ پوری آزادی کے ساتھ محفوظ رہی۔ دو تین سال کے اندر اسرائیل نے تمام محلے کے محلے بیت المقدس میں ڈائنامیٹ سے آڑا دیئے۔ یہ کہہ کر کہ چاروں طرف کا ماحول ٹھیک ہونا چاہئے پرانی عمارتیں گرا دی گئیں اور لاکھوں عربوں، مسلمانوں عیسائیوں کو بے گھر کر دیا گیا۔ اسی طریقہ سے جو بڑی بڑی پرانی عمارتیں تھیں، تاریخی تھیں ان کے چاروں طرف کھدائی ہو

رہی ہے وہ کمزور ہوتی چلی جا رہی ہیں، گرائی جا رہی ہیں۔ اسی طرح ان کے ماحول، بڑے مذہبی راہ نما نے نیویارک میں اعلان کیا تھا کہ قبضہ صغیراً جو کہ مسجد کا وہ حصہ ہے جس کے نیچے ٹیکل سلیمانی ہے یہیں اس مسجد کو گرا کر بنایا جائے گا۔ آسمانی آفت کا ہم انتظار کر رہے ہیں تا کہ مسجد گرجائے اور اور پھر اس کی جگہ ہم تعمیر کریں۔ تو یہ جو آف لکائی جا رہی ہے نہیں اسی سازش کا جو پہلے اس طرح سے کہا گیا تھا کہ آسمانی آفت کا ہم انتظار کر رہے ہیں کہیں اسی سازش کا تو یہ حصہ نہیں ہے جو اس طرح سے آگ لگا کر کوشش کی جا رہی ہے۔ کسی کا گرفتار کر لینا یا اسرائیل کا تحقیقات کرنا یہ ایک قسم کا فراق ہوگا۔ اس کا کوئی وزن نہیں۔ اس لئے میں ایک بات یہ عرض کرنا چاہتا ہوں کہ ایسی صورت میں انٹرنیشنل ڈیوٹیشن اگر نہ ہو تو تمام تحقیقات فضول ہوگی اور وہ بھی ایسے ملکوں کا ہونا چاہئے جن کا سببندہ اور جن کی ہمدردی اسرائیل کے ساتھ نا ہو۔ تب تو کوئی فائدہ ہو سکتا ہے اس تحقیقات میں شائد کچھ نکل سکے۔ دوسری بات یہ ہے کہ جو نام دنیا کے مذہبوں کی اتنی اہم جگہ ہے، خود مسلمانوں کے بھی انبیائے کرام کا قبلہ رہا ہے، اسی طرح سے نماز پڑھتے رہے، ہمارے حضرت صلی اللہ علیہ وسلم بھی نماز پڑھتے رہے۔

उपसमापति : सवाल पूर्ण है ।

†[श्री एम० असअब मदनः (उत्तर प्रदेश) : सबको यह बात मालूम है कि बैतुलमुकद्दस सिर्फ मुसलमानों का नहीं, मुसलमानों और ईसाइयों, सबके सबका मुकद्दस मकाम है। चौदह सौ सालों से यहूदियों की इबादतगाह जसे कि दिवारे गिरिया और इसी तरह क्रिस्चियन्स की कनीसा-तुल-क्यामा बैतुल लहम बगैरेह मकामाते मुकद्दसा महफूज रहे मुसलमानों की निगरानी में और कभी किसी को शिकायत नहीं हुई। इसी तरह से कनीसातुल क्यामा में हजरत उमर जब गये निमाज का वक्त था, लोगों ने कहा — यहीं निमाज पढ़ लीजिये। उन्होंने कहा कि नहीं मैं यहां निमाज नहीं पढ़ूंगा मैं मैदान में निमाज पढ़ूंगा। हो सकता है कि कल कोई यह कहकर कि हजरत उमर ने यहां नमाज पढ़ी थी कनीसातुल क्यामा को मस्जिद बना ले। चुनावे मैदान में निमाज पढ़ी। वही लोगों ने डेढ़ पौनो दो सौ साल के बाद मस्जिदे-उमर बना डाली और कनिसा-तुलक्यामा आज तक महफूज रही। इन तमाम चीजों की बाबजूद चौदह सौ साल तक ईसाइयों की, यहूदियों की हर चीज पूरी आजादी के साथ महफूज रही। दो तीन साल के अन्दर इस्त्राईल ने तमाम महल्ले के महल्ले बैतुल मुकद्दस में डायनामाइट से उड़ा दिये यह कह कर कि चारों तरफ का माहौल ठीक होना चाहिये, पुरानी इमारतें गिरा दी गईं और लाखों अरबों, मुसलमानों ईसाइयों को बेघर कर दिया गया। इसी तरीके से जो बड़ी-बड़ी पुरानी इमारतें थी, तारीखी थी, उनके चारों तरफ खुदाई हो रही है, वे कमजोर होती चली जा रही हैं, गिराई जा रही हैं। इसी तरह उनके हाखाम बड़े मजहबी रहनुमा ने न्यूयार्क में एलान किया था कि कुब्बाए सहरा जो कि मस्जिद का हिस्सा है जिसके नीचे हैकले मुलेमानी है यही इस मस्जिद को गिराकर बनाया जायेगा। आस्मानी आफत का हम इन्तजार कर रहे हैं ताकि मस्जिद गिर जाए और फिर उसकी जगह हम तामीर करें। तो यह जो आग लगाई जा रही है कहीं इसी जाज़िश का जो पहले इस तरह से कहा गया

था कि आस्मानी आफत का हम इन्तजार कर रहे हैं, कहीं इसी जाज़िश का तो यह हिस्सा नहीं है जो इस तरह से आग लगा कर कोशिश की जा रही है। किसी को गिरफ्तार कर लेना या इस्त्राईल का तहकीकात करना यह एक किस्म का फ्राड होगा, इसका कोई वज्जन नहीं। इसलिए मैं एक बात यह अर्ज करना चाहता हूँ कि ऐसी सूरत में इण्टरनेशनल डेपूटेशन अगर न हो तो तमाम तहकीकात फजूल होंगी और वह भी ऐसे मुल्कों का होना चाहिए जिनका संबंध और जिनकी हमदर्दी इस्त्राईल के साथ न हो, तब तो कोई फायदा हो सकता है, इस तहकीकात में शायद कुछ निकल सके। दूसरी बात यह है कि जो तमाम दुनिया के मजहबों की इतनी अहम जगह है, खुद मुसलमानों के ही अन्बियाए-किराम का किबला रहा है, इसी तरह से निमाज पढ़ते रहे, हमारे हजरत मल्ल अल्ला अलैहे व मल्लम भी निमाज पढ़ते रहे।

उपसभापति : सवाल पूछिए।

श्री एम० असअब मदनः : तो इसको आजाद कराने के लिए क्या कोशिश होनी चाहिये, इसके लिये क्या रास्ता अख्तियार किया जाएगा, यह सवाल मैं पूछना चाहता हूँ।]

श्री दिनेश सिंह : इन्हीं सब बातों पर संयुक्त राष्ट्र में बहस करने के लिये जोइन ने कहा है क्योंकि सुरक्षा परिषद के सामने यह मामला आना आवश्यक है।

श्री राजनारायण (उत्तर प्रदेश) : इसमें लोग अपनी अपनी राय दे रहे हैं। मुझे यह कहना है कि इजराइल ने निश्चित रूप से अपना अहित किया है, अल अक्सा मस्जिद जलने से उसके विरुद्ध वातावरण बना है। उसको कसी प्रकार से यह सुबुद्धि होती कि उसको ऐसा काम नहीं करना चाहिये था। तो मैं यह जानना चाहता हूँ कि हमारे देश की जनता को जो क्षोभ है उस क्षोभ को प्रदर्शित करने के लिये भारत की सरकार ने क्या ठोस कदम उठाया है? हम चाहते हैं कि हमारी यह फीलिंग

[श्री राजनारायण]

इजराइल के पाम जाय कि उसने अपना अहित किया है और देश की जनता को अपने विरुद्ध करने में यह काम सहायक हुआ है।

श्री दिनेश सिंह : जहां तक भावनाओं का सवाल है, माननीय सदस्य ने जो बातें सदन में कहीं हैं वे बाहर जाती हैं।

जहां भारत के ठोस कदम उठाने का सवाल है, मैंने अपने वक्तव्य में कहा है कि जो और देश इसके बारे में बातें सोच रहे हैं उनके साथ हम भी बात कर रहे हैं कि क्या-क्या कदम उठाए जा सकते हैं। एक कदम तो यह है कि सुरक्षा परिषद् में इसके बारे में बहस हो। जोर्डन ने इसके लिए कहा है। हम उससे सहमत हैं। उसके अलावा क्या कदम हों उसके बारे में कई जगह बातें हो रही हैं और हम भी उसके बारे में उनसे सम्पर्क रख रहे हैं।

SHRI SYED AHMAD (Madhya Pradesh) : Madam, as a Muslim I am very sorry and my heart bleeds when I think of the destruction and desecration of a mosque like Al-Aqsa. But there is another aspect to this question and I do not want to mince matters. Hon. Members have said a lot, and of course our sympathy is with the Muslims all over the world. We have also our feelings in the matter and emotional attachment to this mosque but, as I said, let me place another aspect to this question. In order to be precise I shall read it out. Will it be possible for the India Government to convey to the Arab Governments and the Arab Sheikdoms the concern of some of us over the disarray in their own camp which has been partly responsible for the situation in which all the Muslims all over the world—because Masjid-Aqsa is the concern of the Muslims all over the world,—find themselves *vis-a-vis* the control and custody of their holy places in Palestine. I think that the main question can be solved by the Arabs uniting themselves, and it cannot be solved by any Government in the world. Neither the India Government nor the American Government nor the Russian Government can solve this problem of Palestine. It is for the Arabs to unite and take Palestine from Israel. It is because of this that I want the Minister for External Affairs to convey our con-

cern over the disarray in the Arab camp to the Arab Governments and the Arab Sheikdoms.

SHRI DINESH SINGH : I am sure the hon. Member's statement here will be read in the Arab countries and they will take note of it. The point that I should like to make here, Madam, is this that we should not mix up the various emotions that may have been let loose because of this. This is not a Muslim question. To limit it to a Muslim question is narrowing the whole effort of the Arabs to fight for their rights. Therefore, let us not try to mix up all these emotions because they affect us. Because they affect us we can reflect on them. But it is a much larger question of the rights of the Arab people, rights of the Palestinians and the rights of humanity as such in the preservation of holy and sacred buildings all over the world irrespective of whether it is here or elsewhere.

This Motto shows that the fire blaze in Alaqsa Mosque was but a part of Zionist's plan to dominate the Mosque. In 1929, a Zionist leader claimed that the Alaqsa Mosque was situated in the place of 'Sulaiman Temple'. So the Mosque was their property. In the early thirteenth the British Zionist Minister, Lord Milichit, announced that the day of reconstruction of 'Sulaiman Temple' was near and he will pass the rest of his life for the same purpose."

श्री विनेश सिंह : खबरें बहुत सी आयी हैं और सबके बारे में हमने जानने की कोशिश की है। हमारा क्या ख्याल है यह मैंने अपने वक्तव्य में अभी बताया है।

SHRI G. H. VALIMOHMED MOMIN (Gujarat) : I want to know and before I want to know I want to compliment the Indian Government and the Indian people; without any discrimination all have conveyed their feelings of shock at the desecration of this holy mosque. What I want to ask is this. Is the Government still not believing that there is a desire among the Israelis not only to uproot these people but they have expansionist designs also? Israel is an illegitimate child of imperialism and it is they who are giving strength to this. Will the Government also bear in mind this aspect of the question that the design of Israel is expansionism and crushing of the Arab unity? Of course it is for the Arabs to unite and fight this. But any international tribunal enquiring into this affair should not only deal with the desecration of the mosque but also the evil designs of the Israelis.

SHRI DINESH SINGH : Madam, in the statement the hon. Member made I think he was carried away because it tends to give an impression that India is not doing what has to be done.

SHRI G. H. VALIMOHMED MOMIN : I complimented the Government.

THE DEPUTY CHAIRMAN : He started with complimenting the Government.

SHRI DINESH SINGH : Yet he said 'Does the Government still not believe ...' which tends to give the impression that the Government has different views which is not correct.

SHRI G. H. VALIMOHMED MOMIN : The idea was to ask what the next step of the Government would be. That was what I wanted to know.

[] Hindi transliteration.

SHRI DINESH SINGH : Because what happens in the House has very great value outside. I would like to assure the hon. Member that we are doing and we shall continue to do what is necessary to bring about peace in West Asia and see that there is peace there.

SHRI ARJUN ARORA (Uttar Pradesh) : Madam, it appears that the Government of Israel is trying to palm off the guilt of their heinous crime to a foreigner whereas the fact is that there is more behind this fire than meets the eye. The very fact that the fire was raging for three hours and nothing was done to save the sacred place and the historical monument establishes that it is not the crime of an individual but more than one person—and may be the Government of Israel itself—is behind it. So will the Government press in the United Nations to send a fact-finding mission and reveal the full facts to the world ?

SHRI DINESH SINGH : All this is arguing it. I have already stated that when this matter comes up before the United Nations all these matters will be borne in mind. We have to concert action. It would not be right for me to say today what we shall say. It will have to be seen as to what is being discussed and what is being asked and how we can support what we think is right and therefore it will not be possible for me to make a commitment although we are in sympathy with the feelings in this matter.

(Many hon. Members stood up.)

SHRI BHUPESH GUPTA (West Bengal) : Madam ...

THE DEPUTY CHAIRMAN : I think we have had enough.

SHRI BHUPESH GUPTA : I was not here.

THE DEPUTY CHAIRMAN : May be; everybody's name I have not called.

SHRI A. G. KULKARNI (Maharashtra) : Madam ...

THE DEPUTY CHAIRMAN : I would allow a few more. Now, Mr. Bhupesh Gupta.

SHRI DINESH SINGH : My statement is there. If there is anything I shall reply at the end.

SHRI BHUPESH GUPTA : First of all I should like to know whether the Government is aware that the Israel Government would not have embarked on a course of constant provocation including sacrilege of this type but for the support and encouragement they are getting from the United States of America. That is very very important. Therefore I should like to know whether the attention of the United States Government has been drawn to this matter calling upon them to publicly condemn the Israel Government or Israel in this matter.

Secondly, for moving the United Nations Organisation it is necessary to take it up in a political way. It appears, Madam Deputy Chairman, a picture of an Australian has been published today in some Delhi paper. It is passing on the baby to a foreigner as if it is an individual act but everybody knows that it is part of the State policy of the Government of Israel to create such provocations and to hurt the sentiments and religious feelings of vast sections of the people and this is part of that policy. Having regard to this I should like to know if there is any strong move for getting a strong denunciation by the United Nations.

Finally I should also like to know whether the Government has made any concrete proposals to the Secretary-General of the United Nations for an independent enquiry into this matter in order to find out not only who are responsible for that act of sacrilege and arson but also who are behind that and in that connection may I know whether the Government has studied how the Israeli press and radio are treating this subject ? It appears that they are trying to exculpate themselves and get out of this thing. I think this is very very important and the country's opinion and views should be made known to the whole world and what is more the Government of India should move in the matter. It should not be treated as an individual act. Even as it is, it is bad enough, shocking to the conscience of humanity; it is not a question of one religion only. In view of all this I think the Government should move in a more strong and forthright manner and advise all the international agencies including the United Nations open to them for the purpose of preventing such acts in the territories occupied by Israel.

THE DEPUTY CHAIRMAN : Mr. Ramachandran.

SHRI G. RAMACHANDRAN
(Nominated) : My question was taken out of my mouth by Mr. Arjun Arora.

THE DEPUTY CHAIRMAN : Mr. Akbar Ali Khan.

SHRI AKBAR ALI KHAN (Andhra Pradesh) : I have nothing to ask in view of the statement of the Minister.

THE DEPUTY CHAIRMAN : Mr. Kulkarni.

SHRI A. G. KULKARNI : I have nothing on this.

THE DEPUTY CHAIRMAN : Well, then we pass on to the next item.

**REFERENCE TO SHRI
BHAGAT'S STATEMENT
ABOUT IMPORT OF INDUSTRIAL
RAW MATERIALS**

SHRI A. G. KULKARNI (Maharashtra) : I want to draw your attention that on 21st August during Question Hour I raised the question of imports of industrial raw materials and Mr. Bhagat categorically stated :

"As for the import of raw materials the policy decision is that we will take over import of all industrial raw materials.."

When Mr. Bhagat stated this I thought this was in line with the Prime Minister's note submitted to the AICC wherein it is categorically stated that the Prime Minister's policy is this. After this I was really surprised to see that his Office mr.de some whitewashing of this policy stated by Mr. Bhagat because the bureaucracy does not like this policy. Now it has been stated in the press . . .

श्री राजबारायण (उत्तर प्रदेश) : प्लानेट ऑफ आर्डर । प्राइम मिनिस्टर ने ए० आइ० सी० सी० को क्या कहा उस से सदन से क्या मतलब है ? क्वेश्चन वह पूछें । अनावश्यक बात क्यों करते हैं ?

THE DEPUTY CHAIRMAN : Please be very brief, Mr. Kulkarni.

SHRI A. G. KULKARNI : Madam, this is a very important matter. It has been stated in the papers :

"According to official sources no new major decision has been taken by the Ministry. Chowdhary Ram Sewak in the Lok Sabha has also stated that no new major decision has been taken."

While Mr. Bhagat says that the policy decision is to take over the import of industrial raw materials this is what has been said by the Ministry. In the Editorial of many papers like the Economic Times they have said that Mr. Bhagat has climbed down from the original proposal. I want to draw your attention to this serious matter because the Ministers are in the habit of making any statement. I do not know whether it becomes a breach of privilege of the House but I would request you and the House to support me in the proposal that the industrial raw materials' import has to be taken over as decided upon by the Government.

SHRI M. M. DHARIA (Maharashtra) : Madam . . .

THE DEPUTY CHAIRMAN : You have not taken my permission. This is not the way to go on. Why did you not come before ?

SHRI M. M. DHARIA : It is an important matter and it was stated on the floor of the House . . .

THE DEPUTY CHAIRMAN : We cannot go on like this. This is not the way.

SHRI DAHYABHAI V. PATEL (Gujarat) : Everybody who has a loud voice and shouts must be heard, whether it is right or wrong under the Rules of Procedure.

THE DEPUTY CHAIRMAN : Please do not overrule the Chair. Mr. Niren Ghosh.

**REFERENCE TO FLOOD SITUATION
IN WEST BENGAL**

SHRI NIREN GHOSH (West Bengal) : Madam, through you I would like to draw the attention of the Government to the devastating floods that have occurred in our State, in West Bengal. In the districts of Malda and Murshidabad the Army has been alerted,
