t Transferred from the 23rd July, 1969.

(c) what are the full details of the programme; and

(d) by when it is proposed to be launched?

THE MINISTER OF STATE IN THE MINISTRY OF FOOD, AGRICULTURE, COMMUNITY DEVELOPMENT AND COOPERATION (SHRI ANNASAHEB SHINDE) : (a) While there is no programme to reclaim waterlogged and saline lands along the Yamuna bank, the Delhi Administration has a scheme of reclamation of alkaline and saline lands to be taken up in Nangloi, Najalgarh and Alipur Blocks during the Fourth Five Year Plan.

Some 20,000 acres of land in the Union Territory of Delhi are estimated to have been affected by water-logging and salinity. An intensive survey of the area followed by suitable reclamation measures has to be taken up if these lands are to be made fit for cultivation. Delhi Administration took some tentative steps in this direction in 1967-68. The work will be intensified in the Fourth Plan. As most of the affected land belongs to the cultivators, only Pilot Demonstration Projects are to be taken up in the first phase of the programme.

(b) No, Madam.

(c) and (d) The Working Group set up by the Government to consider the Fourth Five Year Plan proposals has recommended an outlay of Rs. 7-50 lakhs for reclamation of 1,000 acres of saline and alkaline lands in the Union Territory of Delhi. In the current financial year, Delhi Administration proposes to survey 500 acres of such and for which Rs. 85,000 has been provided in the budget.
