यद्यपि गाड़ी का दूसरा फायरमैन गम्भीर रूप से घायल हो गया था, फिर भी वह तुरन्त दुल्लहदुपुर स्टेशन की ओर रवाना हो गया और उसने 2 बज कर 43 मिनट पर वहां के सहायक स्टेशन मास्टर को दुर्घटना की सूचना दी। सहायक स्टेशन मास्टर ने ब्लाक फोन पर तुरन्त अगले स्टेशन को सूचित किया और उस स्टेशन से यह सूचना 2 बज कर 50 मिनट पर आगे मऊ जंक्शन को दे दी गई।

[THE MINISTER OF RAILWAYS (DR. RAM SUBHAG SINGH) : The accident took place at 01.10 hours. Owing to the failure of Control lines on account of the derailed coaches having fallen over the telecommunication lines along the track the Guard of the train could not pass on the information of the accident through his portable control phone to the Divisional Headquarters at Varanasi. The Conductor Guard, therefore, rushed to Jakhania station and gave information about the accident at 2.50 hours. The Assistant Station Master, Jakhania passed on the information on block phone from station to station upto Aunrihar Jn. from where it was passed on to Varanasi Control at 3.05 hours.
