

normal condition were maintained in which, after further consultation with the leaders, fair and just solutions for their problems could be worked out.

(c) Early in April, 1969 the Prime Minister held a series of discussions at the political level and also with the leaders of Telangana and Andhra regions, with the objective of evolving constructive step to ensure that the pace of development and expansion of employment opportunities in Telangana was accelerated; and the conditions were created for the balanced development of all parts of Andhra Pradesh. In a statement made in the Lok Sabha on 11th April, 1969, the Prime Minister announced various positive measures which are at different stages of implementation.

The Committee of Jurists appointed to advise on the possibility of providing for appropriate constitutional safeguards in the matter of public employment in favour of the people belonging to the Telangana region has submitted its report, which is now under consideration. The Committee appointed under the Chairmanship of Shri Justice Vashishta Bhargava, Judge of the Supreme Court, to determine the Telangana Surpluses is expected to submit its report by the end of August, 1969. The Andhra Pradesh Government have already constituted a high-powered Telangana Development Committee with Chief Minister of Andhra Pradesh, as its Chairman and a Member of the Planning Commission, Ministers of Andhra Pradesh Cabinet belonging to the Telangana Region and the Chairman of the 2 Regional Committee for Telangana, as its Members. The Committee had its first meeting on 26th June, 1969. The Plan Implementation Committee at the official level has also been constituted by the State Government and will have its first meeting as soon as possible. The Central and State Advisory Committees are going into the representations submitted by gazetted and non-gazetted officers affected by the States Reorganisation Act, 1956.

We had further discussions with the Chief Minister and other political leaders of Andhra Pradesh including those from the Telangana region last month and earlier this month, and we shall continue our efforts to secure an agreed solution to the problem of Telangana. Recently State Cabinet has been

reconstituted with a Deputy Chief Minister from Telangana region. I hope the new Ministry and all others concerned would take appropriate action to normalise the situation and create conditions favourable for a settlement. It is a matter of satisfaction that the non-gazetted officers of Telangana have already called off their strike, and thus made a contribution towards restoration of normal conditions.
