†[THE MINISTER OF STATE IN THE MINISTRY OF PETROLEUM AND CHEMICALS AND MINES AND METALS (SHRI D. R. CHAVAN) : (a) Sarabhai Chemicals have been purchasing bulk penicillin from Hindustan Antibiotics Limited, Pimpri at 50 paise per mega unit. With regard to the cost of production of penicillin it would not be possible to make it public as it would prejudice the interests of Hindustan Antibiotics Limited functioning, as they do, in a highly competitive industry.

(b) A statement showing the retail prices of vialled penicillin presently in force is laid on the Table of the Sabha. It is not clear what is meant by retail prices in international market as no retail sales occur in that market. If the reference is to retail prices in other countries the latest information is not readily available. But it may be stated that they are generally higher than those in India.
