

SEALING OF NAGALAND BORDER
WITH BURMA

620. SARDAR RAM SINGH :

CHAUDHARY
A. MOHAMMAD:

Will the PRIME MINISTER be pleased to state:

(a) whether it is a fact that the Nagaland border with Burma has been completely sealed;

(b) whether the number of border patrols has been increased adequately; and

(c) if the answers to parts (a) and (b) above be in the affirmative whether there has been any decrease in the number of infiltrations of rebel Nagas who were returning from China from the Burmese side of the border and what is the number of encounters that took place between these infiltrators and the security forces during the last six months?

THE PRIME MINISTER (SHRIMATI INDIRA GANDHI) : (a) and (b) Security arrangements have been tightened on the international border with Burma. However, considering the terrain and its vastness it is not possible to completely seal such a border along its entire length.

(c) Information regarding Underground Nagas and their movements is classified. During the last six months there has been one encounter within the 3-mile belt of the Indo-Burma border. A second encounter took place on 7th June in village Jotsoma, details of which have been furnished in answer to Unstarred Question No. 259 on 25th July, 1968, and is being furnished again in answer to Starred Question No. 87 today.
