**THE MINISTER OF STATE IN THE MINISTRY OF HOME AFFAIRS (SHRI VIDYA CHARAN SHUKLA)** :

(a) and (b) A statement is laid on the Table of the House.

**STATEMENT**

(a) Yes, Madam. The strike has since been called off.

(b) The main demand of the employees is that the dearness allowance should be increased so as to be on par with what is allowed to Central Government employees.

The State Government have not been able to accept the demand, as it would involve heavy financial commitment to the extent of Rs. 10.50 crores. It would

also not be proper for the State Government especially now under President's rule, to accept without the most careful consideration and detailed examination, such a demand of the employees which will have far-reaching financial effects on the State requiring perhaps a curtailment of developmental expenditure.

Apart from the above, other demands pertain to stoppage of retrenchment, stoppage of transfers of office-bearers of service associations, promotions, confirmation, grant of special casual leave to the office-bearers of associations, uniform supply of ration to all Government employees and recognition of new service associations. These demands are being considered by the State Government.
