(c) The Government Memorandum dated 20th April, 1961 clarifies the position relating to the seniority of direct recruits including those belonging to Scheduled Castes/Tribes with reference to the general principles for determining seniority of various categories of persons employed in Central Services laid down in Government Memorandum No. 9/11/55-RPS dated 22nd December, 1959. These general principles could not be adopted for fixation of seniority of Class III and Class IV employees in the lower formations under this Ministry as it would adversely affect the seniority of ex-servicemen re-employed in civilian posts and surplus civilian employees in Defence installations absorbed in alternative employments under the scheme of adjustment of surpluses and deficiencies. Consequently, the Government Memorandum dated 20th April, 1961 could not be implemented in respect of Class III and Class IV employees in the lower formations.
