1648. SHRI SITARAM JAIPURIA: Will the Minister of FINANCE be pleased to state:

(a) whether it is a fact that the

Reserve Bank of India has recently relaxed 'P' Farm Rules; and

(b) if so, the details thereof?

THE DEPUTY PRIME MINISTER AND MINISTER OF FINANCE (SHRI MORARJI R. DESAI): (a) and (b) Necessary information has already been furnished in reply to the Unstarred Rajya Sabha Question No. 52 answered on the 18th February, 1969. So far, passage clearance could be granted only when the hosts abroad were close relatives of the approved category viz father|mother|brother|sister|uncle|aunt|nephew|niece. Hospitality offers from other relatives or from friends were not eligible for grant of passage clearance. Recently, as an experimental measure, it has been decided that hospitality offers from other relatives and friends could also be considered on merits provided, in addition to local hospitality, passage costs both ways were also being paid from abroad. All such cases would not automatically qualify for grant of passage clearance but would be subject to prior scrutiny and satisfaction about *bona fides*. The above change has been introduced as an experimental measure to be reviewed after some time.

Further details of this arrangement have been given in a Press Note separately issued by the Reserve Bank on 6th March, 1969.

THE MINISTER OF STATE IN THE MINISTRY OF HEALTH AND FAMILY PLANNING AND WORKS, HOUSING AND URBAN DEVELOPMENT (DR. S. CHANDRASEKHAR): (a) Conveyance allowance at the rate of Rs. 20 per month was sanctioned in 1962 to the Medico-Social Workers, Public Health Nurses and Lady Health Visitors of the Family Planning Clinics established in association with Central Government Health Scheme Dispensaries who were required to do field work within a radius of five miles of their Headquarters. The sanction expired on the 31st July, 1966 and could not be renewed as the staff could not produce evidence on the basis of the entries in their log books that they were covering the requisite distance to qualify for this allowance.

(b) The question of reviving this allowance is under consideration.
