(c) State-wise allocation of the above acreage is under consideration.

(d) Yes, Sir.

(e) A statement is laid on the Table of the House.

**STATEMENT**

Some of the important demands of the oustees are:

(1) Land at the places of resettlement should be given in compact blocks.

(2) The Government of Rajasthan should allot 15,625 acres of land to each oustees. Amenities of life be provided to the oustees.

(3) Evaluation of properties of oustees be done sympathetically.

(4) Injustice should not be done to the oustees employed on the Beas Dam Project in regard to the promotion, payment of allowances, transport facilities and supply of ration etc.

Decisions on most of the demands have since been reached. It has been decided that the Government of Rajasthan would set apart 3.25 lakh acres for allotment to the oustees in the Rajasthan Canal Project area. Allotment will be made to the oustees on a suitable basis, subject to a minimum of 5 acres and a maximum of 15.625 acres per oustees. Landless labourers and artisans would also be given land for homesteads of about one acre. The oustees would be settled in compact blocks as far as possible. The Government of Rajasthan are already providing the normal amenities of life at the new oustee colonies. Every effort is being made to evaluate their properties as accurately as possible by the Land Acquisition Staff. In the matter of employment on the Beas Project, the oustees are being given certain ' preferences and no discrimination is being shown against them in the matter
