

जाने के संबंध में जो माननीय मंत्री का ध्यान आकृष्ट किया था आज तक माननीय मंत्री जी ने उसका उत्तर क्यों नहीं दिया? ये तीन चार प्रश्न हैं।

DR. TRIGUNA SEN: The hon. Member has asked four questions. The first question relates to whether the boys were informed of the different types of scholarships that are being awarded. As I said, the scheme is now administered by the Department of Social Security through the Director of Education, Delhi. We collected all the information from the Director who operates the scheme, addresses all the heads of institutions including the polytechnics in Delhi direct and awards the scholarships. We have got the papers which prove that he informs the students in all the institutions about the award of these scholarships.

His second question is about the amount that has been spent in 1966-67 and 1967-68. His point is that the information given to the House is quite different and according to his calculations there is some gap or variation it is not correct. I can tell the hon. Member that in 1966-67 the award of scholarships to Scheduled Caste and Scheduled Tribe candidates was Rs. 3,26,567 and in 1967-68 it was Rs. 3,75,000. Reimbursement of fees in respect of Scheduled Caste and Scheduled Tribe candidates in 1966-67 was Rs. 81,076 and in 1967-68 it was Rs. 90,950. If we take the reimbursement of tuition fees in respect of Backward Class students in 1966-67 it was Rs. 34,914 and in 1967-68 it was Rs. 88,764. The scholarships that were given to the low income group students in 1966-67 came to Rs. 35,335 and in 1967-68 it was Rs. 34,668. If the hon. Member checks up his figures again he will find that in 1966-67 the total amount that was disbursed by way of scholarships was Rs. 4,77,892 and in 1967-68 it was Rs. 5,87,382.

SHRI BHUPESH GUPTA: We seem to be in the midst of a half-an-hour discussion.

DR. TRIGUNA SEN: He has asked four questions. So it is not as if some of the money meant for the scholarships was spent otherwise. The total amount is there.

He asked another question. He said that we made two different statements one in this House and another in the other House. I will look into it and I am sure I will be able to satisfy the hon. Member.

MR. CHAIRMAN: The question hour is over.
