

between the management and the workers, why should the country be held to ransom? Will the Government intervene and settle the issue?

SHRI FAKHRUDDIN ALI AHMED: I want notice. These matters are pending before the State Governments.

THE DEPUTY CHAIRMAN: Mr. Chatterjee.

श्री राजनारायण (उत्तर प्रदेश) : मुझे तो नहीं बुलाया जायगा न। हम खड़े नहीं। खड़े होने पर आप बुलाती नहीं तो खड़े क्यों हों।

SHRI A. P. CHATTERJEE (West Bengal): Is the hon. Minister aware that in the Report of the National Council of Applied Economic Research it has been stated that 50 per cent of the cost of the scooters as well as the cars is really derived from the fact of the high prices of the different items that go into the manufacture of cars including tyres? That is to say, these items like tyres have a boosted price and because of that boosted price, the price of motor cars, scooters, etc. has also gone up and it is not possible to reduce that. Has the Minister taken that view of the matter also into consideration and will the Ministry consider it advisable and wise to take over the tyre manufacturing concerns?

SHRI FAKHRUDDIN ALI AHMED: Sir, the Ministry does not think that the manufacturers are charging abnormally high prices for these tyres and tubes.

SHRI M. RUTHNASWAMY (Madras): Is the Minister aware that there has been a fall in recent months in the prices of raw rubber in Kerala and whether this fall in production of rubber has anything to do with the high prices of tyres?

SHRI FAKHRUDDIN ALI AHMED: No, Madam.

THE DEPUTY CHAIRMAN: Mr. Rajnarain.

श्री राजनारायण : जो आपने व्यवहार हमारे साथ किया है उसके विरोध में मैं सवाल नहीं पूछूंगा। अब खड़ा होऊंगा तो खड़ा ही रहूंगा।
