CONSTRUCTION OF A HIGHWAY BETWEEN
SILCHAR AND IMPHAL

700. SARDAR RAM SINGH : Will the Minister of TRANSPORT AND SHIPPING be pleased to state :

(a) whether it is a fact that the ECAFE has agreed to supply road-making equipments for the construction of a highway through the hilly jungles between Silchar and Imphal;

(b) if so, what is the programme for the construction of this highway; and

(c) by what time it is likely to be completed ?

THE DEPUTY MINISTER IN THE MINISTRY OF TRANSPORT AND SHIPPING (SHRI BHAKT DASHAN) : (a) to (c) Presumably, the hon. Member is referring to the recommendation of the ECAFE Study Team made by them in 1962, while surveying the Asian Highway Route No. A-I, connecting Turkish/Iran border with Saigon between Calcutta and Bangkok that, in order to expedite the completion of the part of the Silchar-Imphal road in Manipur as also to facilitate its further development, the ECAFE should arrange for India, as aid, road-making machinery worth \$ 1 million, through some aid-giving agency or donor country. The completion of this road would shorten the travel distance by about 400 kilometres along the Asian Highway Route No. A-I referred to above. This equipment has, however, not yet been received and the ECAFE are still continuing their efforts to procure it. Meanwhile, the Manipur Administration have been going ahead with the construction of the road and expect to complete it by the end of the Fourth Plan period. The section of this road in Assam from Silchar to Jiribam on the Assam/Manipur border already exists.
