#### U. K. BASES IN INDIAN OCEAN

794. SHRI SITARAM JAIPURIA:  
SHRI RAM CHANDER:

Will the Minister of EXTERNAL AFFAIRS be pleased to state:

(a) whether it is a fact that India proposes to urge the United Nations to take strong steps to prevent the United Kingdom from acquiring certain islands in the Indian Ocean belonging to Mauritius and Seychelles for conversion into military bases;

(b) if so, whether a communication to this effect has been sent to the United Nations; and

(c) what is the reaction of the United Nations thereto?

THE MINISTER OF EXTERNAL AFFAIRS (SHRI M. C. CHAGLA):

(a) to (c) The matter was recently considered by a Sub-Committee of the U.N. Committee of 24. The following recommendations have been made:

"(i) The Administering Powers should once again be called upon to respect the territorial integrity of Mauritius and Seychelles and to return to these territories the islands detached from them.

(ii) The Special Committee should urge the Administering Power to refrain from any military activity in the territories, especially in the islands detached from Mauritius and Seychelles. Such activity would constitute an act of hostility against the people of Africa and Asia and in fact to International peace and security."

The Sub-Committee's report is expected to come up before the Special Committee some time in August.
