PAK EFFORTS TO CUT INDO-AFGHAN  
TRADE

\*651. SHRI GULAM NABI UNTOO:  
Will the Minister of COMMERCE be  
pleased to state:

(a) whether Government's attention has been drawn to Pakistani efforts to cut Indo-Afghan trade; and

(b) if so, what steps Government are taking in this regard?

THE MINISTER OF COMMERCE  
(SHRI DINESH SINGH): (a) and  
(b) Pakistan is trying to increase her trade with Afghanistan. The bulk of our trade with Afghanistan is, however, on barter basis. Imports from Afghanistan are required to be counter-balanced by export of Indian goods of equivalent value to that country. Pakistan's efforts can be felt on the trade in free currency. It may be kept in mind that by the closure of traditional land route for movements of goods between India and Afghanistan, Pakistan has made the goods moving between the two countries a little costlier on account of extra freight charges via Karachi.
