*277. SHRI A. D. MANI: Will the Minister of DEFENCE be pleased to state:

(a) whether it is a fact that Shri P. M. Reddy, General Manager of the Hindustan Aeronautics Limited (Bangalore Division) made certain observations on the eve of his retirement regarding the lack of Government interest in the HF-24; and

(b) if so, what is Government's reaction thereto?

THE MINISTER OF STATE IN THE MINISTRY OF DEFENCE (SHRI B. R. BHAGAT): (a) Shri P. M. Reddy stated, at a function held on 30-12-1966 to celebrate the development of HJE-2500, that, although HAL had completed studies on the design of a jet engine which might be suitable for the HF-24 aircraft, the project was not sponsored. He also said that this was perhaps due to lack of confidence in their ability to develop a supersonic jet engine and concluded, that with the successful completion of the first jet engine, HAL were in a position to take up more complex development projects.

(b) There is no need for the indigenous development of a jet engine for the HF-24 aircraft. Shri P. M. Reddy has also explained to Government that his statement was made with a view to ask for the entrustment of bigger projects to HAL, following their first successful venture and was not a criticism of lack of

interest in the development of an engine for the HF-24 aircraft.
