

है और परिणामतः यह बताना भी सम्भव नहीं है कि उन राज्यों में से किसी राज्य में उपज में कमी होने के कारण वहाँ खाद्यान्नों की कितनी मात्रा में कमी हुई है।

†[THE MINISTER OF STATE IN THE MINISTRY OF FOOD, AGRICULTURE, COMMUNITY DEVELOPMENT AND COOPERATION (SHRI ANNASAHEB SHINDE): Due to unprecedented drought during 1966 all the States, except Punjab, including Haryana, became overall deficit in foodgrains though some of them were surplus in particular foodgrains.

In the absence of any scientific survey of consumption of foodgrains in India, it is not possible to estimate precisely the requirements of any State during any particular year and consequently it is not possible to indicate the quantity of foodgrains by which any of them ran short due to loss in production.]

ASIAN HIGHWAYS

71. SHRI JAGAT NARAIN: Will the Minister of TRANSPORT AND SHIPPING be pleased to state:

(a) the total mileage of Asian Highways passing through India and the names of the other countries which are served by these highways;

(b) the highways of India which have been categorised as Asian Highways; and

(c) the standard specifications which they should satisfy in order to be brought under this category?

THE MINISTER OF TRANSPORT AND SHIPPING (PROF. V. K. R. V. RAO): (a) The total length of the Asian Highways is 55,000 kilometres out of which a length of about 15,000 kilometres lies in India. The countries served by these highways are Iran, Afghanistan, Pakistan, India, Ceylon, Nepal, Burma, Thailand, Cambodia, Laos, Vietnam, Malaysia, Singapore and Indonesia.

(b) A list giving the names of the highways included in India is attached (See below).

(c) Roads included in the proposed Asian Highways System are to be developed in the first instance to a minimum standard, viz. fully bridged, single lane wide road with black-topped surface. Further development and improvement will be carried in stages in accordance with the requirements of traffic on different sections of the roads.
