RAJYA SABHA

Rural electrification In Andhra Pradesh

1851. SHRI RAVULA CHANDRA SEKAR REDDY: Will the Minister of POWER be pleased to state:

(a) the number of villages electrified in Andhra Pradesh during the last two years especially for BPL rural households, District-wise;

(b) the funds allocated for each District and utilized for each year so far;

(c) whether Government are facing any type of difficulty in electrification of villages in the State; and

(d) if so, the reasons therefor?

THE MINISTER OF POWER (SHRI SUSHIL KUMAR SHINDE): (a) As per 2001 census there are 26613 inhabited villages of which 26565 have been reported electrified as on 31.03.2005 and the balance villages are reportedly not feasible for electrification. The State has reported release of 1,50,000 and 99,492 BPL connections during 2003-04 and 2004-05 respectively. The district-wise and year-wise details of BPL (Kutir Jyoti) connections released in Andhra Pradesh is given in enclosed Statement-I. (See below)

(b) The details of District-wise funds allocated and utilized during the last two years for release of BPL (KJ) connections are given in enclosed Statement-II. (See below)

(c) and (d) Though Andhra Pradesh is 100% electrified, electrification of rural households as a part of intensive electrification has been taken up under "Rajiv Gandhi Grameen Vidyutikaran Yojana" (RGGVY).

Statement-I

Energy Coordination Committee

1852. SHRI RAMAMUNI REDDY SIRIGIREDDY: SHRI K.
RAMA MOHANA RAO:

Will the Minister of POWER be pleased to state:

(a) whether it is a fact that recently a meeting of the Energy Coordination Committee has been held to find ways of feeding country's growing hunger for fuel;

(b) whether it is a fact that there is a shortage of 38 per cent of natural gas and 7 per cent of coal supplies in generation of power;

(c) if so, in what manner Government are thinking of meeting the demand;

(d) whether Government are in the process of approving production of coal from ten more mines; and
