**STATEMENT MR STARRED
QUESTION NO. 867 ANSWERED ON
THE 1ST APRIL, 1966.**

MODEL TEXT BOOKS

THE MINISTER OF
EDUCATION (SHRI M. C. CHAGLA) :
Sir, in connection with my reply to Starred
Question

-[Transferred from the 17th May, 1966.]

No. 867 on 1st April, 1966, Shri M. C. Shah has asked a supplementary question about the form of financial or other assistance given to the State Governments for translating the model textbooks of the National Council of Educational Research and Training into regional languages. I had stated that no State had asked for the financial assistance and no thought had been given to this question by us.

The correct position, however, is that only one State Government, namely, the Government of Gujarat had asked for 50 per cent, financial assistance for translating and printing the textbooks in Gujarati. The matter has since been considered by the National Council of Educational Research and Training. The Council has decided that while no grants can be given for this purpose, other forms of assistance like technical guidance in translating the books, free paper, free use of blocks and other materials may be extended to the State Government.
