SHRI BHUPESH GUPTA (West Bengal) Sir again I have to make a submission I find that the list of business announced does not include any reference to the short duration discussion on the West Bengal situation Sir in the other House an adjournment motion was unusually allowed Generally, adjournment motions are not admitted There it was discussed on

an adjournment motion, the West Bengal situation I should like this opportunity being given to this House it is not that we have any adjournment motion But we have a corresponding provision on the basis of which we can have discussion And I do not see as to why the Leader of the House should not try to accommodate us because the situation in West Bengal is far more serious than it was in Kerala at that time And anyhow, it was admitted in the other House I think we should get a chance I let the whole matter be discussed in this House I tell you, let the hon Members from there speak and give their suggestions We also give our suggestions and we can try to find out whether a solution is possible I think discussions will help in evolving a concrete approach to the problems of food, arrests, detention and all that in West Bengal Therefore, I say, let this discussion be provided for in this House next week

SHRI M C CHAGLA The hon Member has already given notice and I am sure that my friend the Home Minister, will make a statement next week
