

by saying, "No" to part (a) of the question? We know recommendations have been received from the National Council of Applied Economic Research.

SHRI L. N. MISHRA : The answer is quite clear, Sir. The answer only says that Government have not yet considered the recommendations made by the National Council of Applied Economic Research. In the question it has been asked whether we have received the report. I say we have seen the report, two reports, one for Western India and another for Northern India.

SHRI M. P. BHARGAVA : So am I to take it that the reports have been received but they have not been considered by the Government of India yet? If so, what are the reasons, and when were the reports received?

SHRI L. N. MISHRA : Sir, as you know, the National Council of Applied Economic Research makes surveys of so many subjects in the country, and so far as this subject of Power is concerned, they have taken a regional view of the position; they have not taken an overall view of the country's economy. As I said, they have submitted two reports and we are studying these two reports.

SHRI M. P. BHARGAVA : What steps are being taken by the Government to implement the recommendations of the Energy Survey Committee, and if no steps have so far been taken, at what stage it is under the consideration of the Government?

SHRI L. N. MISHRA : As has been earlier stated in the original answer, the Report of the Energy Survey Committee has been just received and it is under study. It is difficult to say anything further at this stage.

SHRI I. K. GUJRAL : The hon. Minister is keeping himself behind very vague replies. The Energy Survey Committee report has been produced by the specialists in this nation, and it really outlines the progress that the nation can make in the next four years. May I

ask him if he will give an assurance to this House that he will appoint a really high-powered committee immediately to recommend finally as to what is the outline of Government's programme in so far as energy programme is concerned?

SHRI L. N. MISHRA : It is not possible for me to give any assurance at this stage about the appointment of a high-powered committee, but I may say that the Planning Commission has already got a Perspective Division, and the N.R. Division also, which have been studying this subject. And so far as this report of the Committee is concerned, of course it will get all the due attention.

SHIFTING OF DAIRIES

*565. **SHRIMATI LALITHA (RAJAGAPALAN) :**†

SHRIMATI TARA RAM-CHANDRA SATHE :

Will the Minister of WORKS, HOUSING AND URBAN DEVELOPMENT be pleased to refer to the reply given to Starred Question No. 628 in the Rajya Sabha on the 15th September, 1965 and state :

(a) whether the details of the regular scheme for shifting of dairies from Delhi have since been finalised; and

(b) if so, what are those details?

THE MINISTER OF WORKS, HOUSING AND URBAN DEVELOPMENT (SHRI MEHR CHAND KHANNA) : (a) and (b) The *Ad-hoc* (Slum Clearance and Improvement) Committee of the Municipal Corporation of Delhi set up a Committee in February 1965, consisting of the representatives of the Municipal Corporation of Delhi, the Delhi Development Authority, the Delhi Milk Scheme and the Ministry of Works and Housing to go into the question of the pattern of development of ghosi colonies (dairies) in Delhi and

†The question was actually asked on the floor of the House by Shrimati Lalita (Rajagapalan).

other allied matters. A representative of the Delhi Administration was also coopted with the Committee. The Committee has submitted its report to the Commissioner, Municipal Corporation of Delhi. The report is to be considered at a meeting of the *Ad-hoc* (Slum Clearance and Improvement) Committee of the Corporation, to be held shortly.

SHRIMATI LALITHA (RAJAGOPALAN): Will the hon. Minister kindly say how long this Committee will take to consider this matter and when it will be finalised?

SHRI MEHR CHAND KHANNA: A meeting of the Committee is likely to be held shortly and it will not take much time.

SHRI SANTOKH SINGH: Could the hon. Minister make a very rough estimate as to when these dairies are going to be shifted from Delhi which have been in existence for the last sixteen years or so? May I know if he can make a rough estimate as to how much time it would take to shift these dairies?

SHRI MEHR CHAND KHANNA: Possibly not in my lifetime, but certainly within the lifetime of the questioner.

प्रो० सत्यव्रत सिद्धान्तालंकार: क्या मंत्री महोदय बतलायेंगे कि ये जो गोशालाएँ हैं या भैंस शालाएँ हैं ये दूध की एक बड़ी भारी समस्या को हल करती हैं और जहाँ-जहाँ पर भी हैं वहाँ के जो निवासी हैं उनको समय पर दूध मिल जाता है। आपकी जो दिल्ली मिल्क सप्लाय स्कीम का दूध है वह 'टोन्ड मिल्क' है शुद्ध मिल्क नहीं है। तो यह डेरीज जो इतना अच्छा काम कर रही हैं उनको आप क्यों हटा रहे हैं?

श्री मेहर चन्द खन्ना: इनको हटाने का काम दिल्ली का डेवलपमेंट करने के लिये जो मास्टर प्लान है उसके नीचे हो

रहा है। मास्टर प्लान बना और उसके सामने भी यह चीज आई और गवर्नमेंट ने उसको माना। अब कहीं कोई डेरी या घोसी कोलोनीज है, जो 'एट रैंडम' तरीके से, अनआथाराइज्ड स्क्वटिंग करके बैठी हैं, उनके बारे में हमारा इरादा है कि उनके राशनल बैसिस पर लाया जाय। भैंस का दूध नहीं सूख जायेगा, दूध रहेगा, दिल्ली वालों को जरूर मिलेगा।

प्रो० सत्यव्रत सिद्धान्तालंकार: दूध इतनी दूर चला जायेगा कि उसको प्राप्त करना मुश्किल हो जायेगा। इस समय तो मोहल्लों-मोहल्लों के अंदर भैंस बंधी हुई हैं और जब आप चाहें शुद्ध दूध ले सकते हैं। अब ऐसी जगह ले जायेंगे कि लोग ला नहीं सकेंगे।

श्री अर्जुन अरोड़ा: घर-घर में गाय पालिये।

श्री सभापति: मुहल्ले-मुहल्ले से घर-घर में आ गये।

SHRI I. K. GUJRAL: Sir, this problem has been engaging the attention of the Ministry and of the Civic Body for a number of years. The Government has invested a substantial sum of money in acquiring the land at Jheel Kulanja which, I understand, has been re-occupied and squatted upon. May I know if the hon. Minister is now in a position to give an assurance to this House now that all three years have passed and this scheme has not been implemented, he will take over the thing from the Civic Body and implement it because the health of the town is being considerably damaged by the existence of these dairies in the heart of the town?

SHRI MEHR CHAND KHANNA: Sir, this Committee was appointed a year ago and the persons who formed that Committee have been given in the main reply. This Committee took some time in going round Calcutta and Bom-

bay to study all aspects of the matter. Their report was received five or six months ago. I have taken up the matter with the Municipal Corporation. I am told that a meeting of the *Ad-hoc* (Slum Clearance and Improvement) Committee will be held shortly. I have even told the Mayor that I am prepared to attend the meeting for helping the Corporation to come to a definite decision. I have also told them that as for the money that would be required for the implementation of the scheme we shall even try and find those funds. I am hoping now that the meeting will be held very soon. I am taking every possible action to expedite the matter. It would not be possible, under the Act, for the Corporation to be taken over by my Ministry. It is beyond my power and means.

SHRI M. P. BHARGAVA : Sir, what was the basis for the hon. Minister's reply when he said : "Not in my life time but certainly within the lifetime of the questioner." Had he consulted any astrologer ?

MR. CHAIRMAN : Perhaps his own estimate.

SHRI MEHR CHAND KHANNA : One of the famous astrologers came to see me the other day.

*566. [*The questioner (Shri Sitaram Jaipuria) was absent. For answer, vide col. 3329 infra.*]

मध्य प्रदेश में मेडिकल कालेज

*567. **श्री विमलकुमार मन्नालालजी चौरडिया :** क्या स्वास्थ्य तथा परिवार नियोजन मंत्री यह बताने की कृपा करेंगे कि स्वर्गीय प्रधान मंत्री श्री लाल बहादुर शास्त्री ने जो यह इच्छा व्यक्त की थी कि प्रत्येक राज्य में ग्रामीण क्षेत्रों में एक मेडिकल कालेज खोला जाना चाहिये, उसके अनुसार मध्य प्रदेश के किस स्थान पर मेडिकल कालेज खोले जाने का विचार है।

†[MEDICAL COLLEGE IN M.P.]

*567. **SHRI V. M. CHORDIA :** Will the Minister of HEALTH AND FAMILY PLANNING be pleased to

state the name of the place in Madhya Pradesh where a medical college is proposed to be started in accordance with the desire of the late Prime Minister Lal Bhadur Shastri to the effect that in every State a medical college should be opened in the rural areas ?]

स्वास्थ्य तथा परिवार नियोजन मंत्री (डा० सुशीला नायर) : मध्य प्रदेश में एक नया मेडिकल कालेज खोलने के बारे में अभी तक सरकार को कोई प्रस्ताव नहीं मिला है।

†[THE MINISTER OF HEALTH AND FAMILY PLANNING (DR. SUSHILA NAYAR) : The Government has not so far received any proposal for the opening of a new medical college in Madhya Pradesh.]

श्री विमलकुमार मन्नालालजी चौरडिया : क्या इसके बारे में जो भूतपूर्व प्रधान मंत्री थे, उनकी जो इच्छा थी, उससे मध्य प्रदेश सरकार को अवगत करा दिया गया है कि उनकी इच्छा पूर्ण करने के लिये आप अपने यहां जहां भी उचित समझें एक कालेज खोल सकते हैं ?

डा० सुशीला नायर : जी हां, स्वर्गीय प्रधान मंत्री जी ने जो अपने विचार प्रकट किये थे वे सभी राज्य सरकारों को हमने भेज दिये थे और उसमें मध्य प्रदेश की सरकार भी शामिल है। मध्य प्रदेश की सरकार ने कहा है कि वे स्वर्गीय प्रधान मंत्री के विचारों को ध्यान में रखेंगे। लेकिन श्रीमान्, मैं यह बता दूं कि मुदालियर कमेटी की रिपोर्ट के मुताबिक 50,00,000 की आबादी पर एक मेडिकल कालेज खोलने की बात है। मध्य प्रदेश की आबादी तीन करोड़ बीस लाख के करीब है और वहां पर इस वक्त छः मेडिकल कालेज मौजूद हैं—जबलपुर, इंदौर, ग्वालियर, भोपाल, रीवा, और रायपुर में। इस हिसाब से राज्य सरकार के पास कोई बहुत गुंजायश नहीं है नये कालेज खोलने की। जो छः हैं उनको ही सुधारने में भी काफी मेहनत करनी पड़ेगी और खर्च करना पड़ेगा।
