UTILISATION OF RURAL MAN-POWER

434. SHRI T. V. ANANDAN: Will the Minister of PLANNING be pleased to state :

(a) whether it is a fact that an intensive utilisation of rural manpower in agricultural sector has been recommended by the study group of the panel for labour; and

(b) if so, what would be the estimated employment potentiality if the recommendation is fully given effect to by Government?

THE MINISTER OF PLANNING (SHRI ASOKA MEHTA): (a) Directions in which employment opportunities for agricultural labour should be intensified have been recently considered by the Central Advisory Committee on Labour and the Study Group constituted by the Panel on Labour on Agricultural Labour, Contract Labour and certain other groups of workers. The main suggestions which have been offered concern:

- (1) expansion of agricultural employment through intensive development of agriculture;
- (2) resettlement of agricultural workers on culturable waste lands and surplus lands;
- (3) intensive development of subsidiary programmes such as poultry farming, piggery and cattle breeding;
- (4) expanded rural work programme for the utilisation of rural manpower, specially during the slack seasons, for works such as soil conserva-

tion, minor irrigation, afforestation, rural communications, etc.; and

(5) promotion of village industries.

(b) Programmes along these lines have to be worked out in detail and incorporated into the Fourth Five Year Plan. At this stage, it is not possible to indicate the number of persons likely to benefit in terms of employment.

DISPARITY IN THE RATES OF ELECTRICITY FOR AGRICULTURAL PURPOSES

436. SHRI T. V. ANANDAN: Will the Minister of IRRIGATION AND POWER be pleased to state :

(a) whether it is a fact that there exists a great disparity in the rates charged for electricity used for Agricultural purposes from State to State in the country;

(b) if so, whether there is any proposal under Government's consideration for adoption of a uniform rate; and

(c) if so, the details of the proposal?

THE MINISTER OF IRRIGATION AND POWER (SHRI FAKHRUDDIN ALI AHMED): (a) Yes.

(b) and (c) It has been decided to subsidise electricity rates for agricultural purposes above 12 paise per unit. The amount of subsidy is to be shared in the ratio of 50 : 50 between the Centre and the State Governments concerned.

(b) It has been represented that in spite of increase in the demand for dental items in recent years, due to increase in the number of (i) dental surgeons (ii) dental clinics and departments (iii) dental institutions for undergraduate and postgraduate studies and rise in the incidence of dental diseases etc. etc., the import quota for dental equipment had been curtailed by 70% during 1965-66.
