

THE MINISTER OF HEALTH AND FAMILY PLANNING (DR. SUSHILA NAYAR) : (a) The required information is being collected and will be laid on the Table of the Sabha as soon as available.

(b) Under the National Water Supply and Sanitation Programme (Rural phase), the Central Government has been giving since September, 1954 grants-in-aid to the State Governments to the extent of 50% of the expenditure incurred by them on their rural piped water supply and sanitation schemes. The number of schemes approved and the amount of grants given to the State Governments so far are as follows :—

	No. of scheme approved	Amount of grants given (Rs. in lakhs)
First Plan	134	278
Second Plan	349	814
Third Plan	1323	413 + 184
	(upto 31-12-65)	(upto 31-3-65)

Grants to the extent of Rs. 184 lakhs have been sanctioned each year during 1964-65 and 1965-66 by the Ministry of Health for provision of piped water supply in rural areas in the various States under the Local Development Works Programme for which a provision of Rs. 35 crores was made in the Third Plan and administered by the Planning Commission till 1963-64. Under this Programme, the Ministry of Community Development has also been giving grants to the State Governments for rural water supply schemes other than piped water supply.

Besides this help, under a centrally sponsored scheme financed 100% by the Central Government, Special Investigation Divisions have been sanctioned for all the States to assess the requirements of drinking water supply in Rural areas particularly scarcity and difficult areas. These are functioning in all the States except Jammu and Kashmir.

In addition to the above the Ministry of Home Affairs has also been giving assistance to the States for provision of drinking water in Tribal and Backward areas and Border areas.
