

[श्री गंगाधर सिंह ।]

के मेम्बरों को भी इस बात का खयाल रखना चाहिये । जब भी कांट्रोवर्तियल सबजेक्ट, विवादस्पद विषय आये, जिसमें पार्लियामेंट की आलाचना का प्रश्न हो, तो मेरा खयाल है कि सरकार को भी रेडियो पर बोलने के लिये मेम्बर को नहीं बुलाना चाहिये और मेम्बरों को भी अगर सरकार बुलावे तो भी नहीं जाना चाहिये । मेरा खयाल है कि इस पर आप गौर करेंगे, नहीं तो एक ऐसी परम्परा कायम हो जाएगी जो परम्परा आगे चल कर पार्लियामेंट को डिगनिटी के लिए बहुत ही घातक होगी ।

SHRI RAJ BAHADUR: Sir, may I just say one word? I have given an assurance that no propaganda was intended in favour of Government or against. I have already made that statement. I do take note of what the Members have expressed. I only want to make it clear that in the case of at least one big democracy I know that Members of Parliament are invited to comment upon the proceedings of the House, and there is nothing wrong in that. The reason why I was impelled to take this step was that after all whatever we say in this House is not confined to this House but it goes to the whole country and it goes abroad. I thought that the image of our country and our democratic functioning must be properly projected not only in our country to alleviate the anxieties of the people but across the frontiers as otherwise they are bound to exploit the situation against us. That was the only intention and it was done in good faith. That assurance must be taken.

MR. CHAIRMAN: I thoroughly understand the motive that you have just mentioned and you were naturally actuated by the best of motives. But the thing that has happened is one which probably should make you more careful in future. If there is any controversy, a Member who has taken part in this controversy or who is part of Parliament should not be asked to comment on it unless you allow other groups also to do so.
