THE MINISTER OF STATE IN THE MINISTRY OF LAW (SHRI C. R. PATTABHI RAMAN) : (a) Yes, Sir. (b) The basis on which the conference is to proceed is that broadcasting facilities for educating the electorate at the election time should not remain unutilised. An attempt in this respect was made in 1961 also and a full summary of the discussions which took place with the political parties at that time has been given at pages 53 to 55 of the Report of the Election Commis-

sion on the Third General Elections in India, 1962.

(c) The conference proposed to be held on the 20th August, 1966 is only a first step to bring about an agreement so that party broadcasts would be a regular feature at the General Elections of 1967. Consultation with the representatives of other recognised parties in the country will follow in due course depending on the outcome of this first conference.
