STATEMENT RE STARRED QUESTION NO. 424 ANSWERED ON THE 12TH AUGUST 1966

INTRODUCTION OF CORRESPONDENCE COURSES IN THE COUNTRY

THE MINISTER OF EDUCATION (SHRI M. C. CHAGLA): Sir, while replying to a supplementary question put by Shri A. D. Mani arising out of starred question No 424 in the Rajya Sabha on August, 12th 1966, as to whether any domiciliary qualifications were necessary for taking up correspondence course of the Delhi University, I had stated that "As far as the Delhi scheme is concerned, it is confined to those who pass through the secondary schools in Delhi, when we expand it, we will have a larger region to serve in various States, but today the position is

that only a student who passes through a secondary school in Delhi can take the correspondence courses."

The correct position is that as far as the scheme of correspondence courses operated by Delhi University is concerned, admissions are open to students from all over India who have passed the Higher Secondary and equivalent examinations without any domiciliary restrictions and the selections are made on merit.

SHRI R. S. KHANDEKAR (Madhya Pradesh): Sir, I am not asking any question, but . . .

SHRI A. D. MANI (Madhya Pradesh): But the supplementary question was mine.

MR. CHAIRMAN: What are you doing? You can put your question later on. He has corrected the statement that he had made.

SHRI R. S. KHANDEKAR: Sir, this supplementary question was asked as far back as the 12th August and now it is some fifteen days since then. The hon. Minister has taken so many days to correct his previous answer. This is the way in which the Education Minister is treating Parliament. My submission is that he should have come with this correction within 24 hours.

MR. CHAIRMAN: The statement was made in good faith. He has stated that.

SHRI R. S. KHANDEKAR: He has taken 15 days over this matter which concerns only Delhi University. I submit they should not treat Parliament in such a light manner.
