

SHRI B. R. BHAGAT: I cannot give a definite date. As I said we will take a decision as soon as possible.

SHRI A. P. CHATTERJEE: Will the hon. Minister say that as far as the Gold Control Order is concerned, its purpose is defeated completely? Because we know from our experience in Calcutta that although a number of goldsmiths' families have really suffered a lot because of the existence of this Gold Control Order yet the purpose of the Gold Control Order, namely, that gold should not be smuggled, that only 14 ct. gold should be used for making new ornaments, etc., is not being achieved at all in cities like Calcutta. Our experience is that if any person is going to have a wedding in his family he can have as much gold and as many gold ornaments as he likes. That is a notorious fact. The only thing that has happened due to this Gold Control Order is that the poor goldsmiths have been thrown out of employment and many goldsmiths have already committed suicide by taking nitric acid. In view of the failure of the very purpose for which the Gold Control Order was issued...

MR. CHAIRMAN: What is the question?

SHRI A. P. CHATTERJEE .... will the hon. Minister say that actually there is no further justification for the continuance of the Gold Control Order and will the hon. Minister see to it that the Gold Control Order is immediately rescinded and not keep it as a farce?

MR. CHAIRMAN: The hon. Minister has already replied to that. He said that the matter was under consideration and he would expedite the decision.

SHRI LOKANATH MISRA: In view of the fact that the gentleman who conceived this Gold Control Order, who was responsible for this, has subsequently repented for it and has said publicly that there is absolutely no justification for the continuance of the Gold Control Order, would the Government now reconsider their views and immediately withdraw this?

MR. CHAIRMAN: I think a reply has been given. They are actively at it.

SHRI LOKANATH MISRA: Sir, Mr. Morarji Desai is making public statements to that effect.

MR. CHAIRMAN: Mr. Morarji Desai is absolutely irrelevant in this matter.

श्री विमलकुमार मन्नालालजी चौरड़िया : क्या श्रीमान् यह बतलाएंगे कि गोल्ड कंट्रोल का एक मुख्य कारण यह बतलाया गया था कि सोने का तस्करी व्यापार हुआ करता है परन्तु अवमूल्यन होने के परिणामस्वरूप सोने का मूल्य हमारी मुद्रा के हिसाब से विदेशों में बढ़ गया है और इसलिये इस बात को ध्यान में रखकर क्या शासन शीघ्र ही स्वर्ण नियंत्रण विधान को समाप्त करेगा ?

श्री बी० आर० भगत : यह तो कहा गया था कि गोल्ड कंट्रोल के बाद अगर यहाँ गोल्ड के लिये डिमांड कम हो जायेगी तो डिमांड कम होने के कारण बाद में स्मगलिंग बंद हो जायेगी। यही स्थिति अभी भी है कि सोने की मांग यहाँ कम हो जायेगी तो उसका स्मगलिंग रुक सकता है।

SHRI A. D. MANI: Sir, may I ask the Minister to tell the House frankly whether the hesitation of the Government to take immediate action on the representation of Members of Parliament is due to the advice tendered by the International Monetary Fund or the World Bank that a Gold Control Order is necessary in India to prevent the smuggling of gold?

SHRI B. R. BHAGAT: In this matter, there is no advice from the international monetary organisation.
