(b) if so, the details thereof ?

THE MINISTER OF FINANCE (SHRI SACHINDRA CHAUDHURI) : (a) and (b) The collections of revenue under Customs and Central Excise during the first quarter (*i.e.*, April to June, 1966) as compared to the budget estimates are as follows:

	Collections during the first quarter for 1966-67 (April to June, 1966)	Budget Estimates for 1966-67	Per cent of the collections to the Budget estimates
	(Crores of rupees)

The collections for the first quarter are slightly less than 25% of the budget estimates for the year 1966-67. It cannot, however, be said at this stage that the collections have fallen considerably, as experience has shown that the rate of collection is not quite uniform throughout the year.
