**ENQUIRIES RE CALLING ATTENTION
NOTICES**

SHRI BHUPESH GUPTA (West Bengal): Sir, I had two calling attention notices for the Prime Minister. Since we do not see him here frequently, I would say one was with regard to the disclosures made by the Finance Minister that the Congress Party is taking money from the joint stock companies and that Rs. 98 lakhs out of a total of Rs. 1-15 crores had been paid to the Congress between 1961 and 1964. This raises serious questions of policy and therefore I would like the Prime Minister to tell us exactly what he is going to do about this.

The other is with regard to the expenditure which has been incurred by the Central Government and the State Government for the Durgapur session of the Congress. The newspapers have pointed out that almost a crore of rupees was spent on the 69th Annual Session of the Congress. Central funds from the various Ministries have been spent and also State Government funds. I am not concerned here with the State Government but I want to know whether the Prime Minister has taken note of the use of public funds from the Central exchequer in order to help the holding of the Annual Session of the Indian National Congress including such a thing as setting up a station and demolishing it and so on. I would therefore request the Prime Minister to state his position.

MR. CHAIRMAN: Mr. Gupta, you have sent the notices and also said something about them. Even if the Prime Minister wanted to say something, I would request him not to because the notices have come to me and I have passed them on to the Ministers concerned. I would get their reactions and then I allow it or do not allow it. This would be by-passing if the Prime Minister were to make a statement now. I would therefore request him not to make any statement.

With regard to the first, I have already refused permission. I do not know if it has been communicated to you.

SHRI BHUPESH GUPTA : No.

MR. CHAIRMAN : With regard to the second, we are considering the matter. I have sent it and I will get their reaction and then let you know.

SHRI BHUPESH GUPTA (West Bengal) : Sir, what about the fish problem ? This is a non-controversial matter. In the news-j papers in West Bengal, it has been said that Mr. Prafulla Sen has written to the Central Government that unless the surcharge on fish imported from East Pakistan is withdrawn and also the customs duty
