(b) if so, the reasons therefor?

THE MINISTER OF FOOD AND AGRICULTURE (SHRI C SUBRAMANIAM): (a) and (b) A statement is placed on the table of the Sabha.

STATEMENT

(a) Delhi Milk Scheme was unable to meet its commitments for the supply of buffalo milk for some days during October, 1964 and toned milk in lieu of buffalo milk was supplied upto 20th October 1964. Supply of toned milk had also to be reduced by about 50 per cent, from 27th September 1964 to 12th October 1964.

Cow milk was supplied to the card holders throughout the month of October, 1964 except on 7th, 23rd and 27th October, 1964. On 24th, 26th, 28th, and 31st October, 1964, a partial supply of cow milk was made.

(b) There has been a shortfall in the quantity of buffalo milk procured by the Delhi Milk Scheme for the following reasons:

(i) There was some agitation among milk suppliers because of procurement of milk by the scheme through Cooperative Societies at the Milk Collection and Chilling Centre at Kithore, Uttar Pradesh.

(ii) The greatly increased price in the Delhi Market of products like cream and ghee which makes it profitable for supplier to divert milk for the manufacture of cream and ghee.

(iii) Unhealthy competition by private purchasers particu-

larly in regard to price and quality of milk purchased from the suppliers.

- (iv) Increased demand due to 'Shradhas' and festivals, etc.
- (v) Effect of heavy rain and floods on fodder crop, which has affected the production of milk.
