

(c) Land has been allotted to or earmarked for allotment to house-building co-operative societies which were either dispossessed of their land or in whose favour Government had issued notices under section 4 and/or section 6 of the Land Acquisition Act, 1894, and which had deposited with Government necessary money therefor. In the case of other societies no land is available where municipal services—such as water, sewerage and electricity can be provided within the next five to ten years. However, these societies have been requested to intimate by 31st October, 1964 whether they are interested in the allotment of undeveloped land in such areas (i.e., areas where services cannot be provided). The question of allotment of land to them will be considered on receipt of their replies which are awaited.]
