INDIAN REPRESENTATIVES AT THE COMMONWEALTH PRIME MINISTERS' CONFERENCE

528. SHRI SANKAR PRATAP SINGH DEV: Will the Minister of EXTERNAL AFFAIRS be pleased to state:

(a) what were the reasons for which two Indian representatives were sent to the Commonwealth

Prime Ministers' Conference recently held in London; and

(b) whether the Minister of Information and Broadcasting had any occasion to speak at the Conference?

THE MINISTER OF EXTERNAL AFFAIRS (SARDAR SWARAN SINGH):

(a) It was always the intention that one Minister should accompany the Prime Minister to the Conference. Due to the indisposition of the Prime Minister, the Finance Minister and the Minister of Information and Broadcasting were requested to attend the Conference.

(b) In any Conference the leader of the delegation is the person who speaks and when the leader is not there the other senior member takes his place. There is no record of how many times each member of delegation spoke, as in a Conference of this nature the discussion is general. The Minister for Information and Broadcasting fully participated in the proceedings of the Conference.
