

اس گھی اور مکھن مہیں کافی اڈلٹریشن  
ہوتا ہے تو ان دو باتوں کو روکنے کے لئے  
سورکار کیا کر رہی ہے ؟

†[ श्री प्यारे लाल कुरील 'तालिब' :  
चूँकि दिल्ली मिल्क स्कीम जो है वह लोगो को  
खालिस दूध और घी नहीं दे सकती है इससे  
दो खराबिया पैदा हो गई है । एक तो  
प्राइवेट लोग जिनके पास अपनी भैंसे है और  
जो खालिस दूध देते हैं वह अपने दूध के  
मनमाने दाम लेते हैं और दूसरे जो प्राइवेट  
लोग घी और मक्खन तैयार करते हैं उम घी  
और मक्खन में काफी अडल्ट्रेशन होता है ।  
तो इन दो बातों को रोकने के लिए सरकार  
क्या कर रही है ? ]

श्री शाहनवाज खाँ : अडल्ट्रेशन को  
रोकने के लिये फूड अडल्ट्रेशन एक्ट है जिस को  
सूबाई हुकूमते नाफिज करती है । जो खोया  
या ऐसी दूसरी चीजे दूध से बनती है उनको  
रोकने की हम ने एक दफा कोशिश की ।  
लेकिन उसका नतीजा यह हुआ कि दिल्ली  
में बहुत काफी लोगो ने शोरशगबा किया और  
एजिटेशन किया । इसके साथ ही जो कानून  
लागू हुआ था उसको तोड़ने के लिये अलग अलग  
रास्ते उन्होंने अख्तियार कर लिये और  
उसको रोकना हुकूमत के लिये मुश्किल  
हो गया ।

شری پیارے لال کوریل ددطالیب :

مہرے آدھے سوال کا جواب نہیں ملا -  
جو پرائیویٹ لوگ دودھ کے من  
ماتے دام وصول کرتے ہیں اس  
کو روکنے کے لئے کیا کارروائی کی  
گئی ہے ؟

†[ श्री प्यारे लाल कुरील 'तालिब' :  
मेरे आधे सवाल का जवाब नहीं मिला । जो  
प्राइवेट लोग दूध के मनमाने दाम वसूल  
करते हैं उसको रोकने के लिए क्या कार्रवाई  
की गई है ? ]

† [ ] Hindi transliteration.

SHRI C. SUBRAMANIAM: I do  
not want to give any unnecessary  
hope. But tomorrow I have called a  
meeting of all the main milk users  
round about Delhi—people who have  
other milk products—to find out whe-  
ther I could persuade them to give  
a portion of their milk supply to the  
Delhi Milk Scheme for supplying to  
the citizens. I hope that something  
might come out of it. But at the  
same time, I do not want to raise any  
unnecessary hope.

MR. CHAIRMAN Mr. Kureel is  
still unsatisfied. He wants to know  
what you are doing to prevent those  
people from asking for very high  
prices for the milk

SHRI C. SUBRAMANIAM: It is a  
question of supply and demand. We  
have to have assured co-operative  
units which will supply to us milk  
without looking into other sources for  
selling it. That is why we have to  
build it up. I am sure that hon.  
Members are aware, that is why an  
expert team was constituted to go  
into not only the technical aspects of  
the Delhi Milk Scheme but also with  
reference to the procurement of milk,  
cattle development and all those  
things. And a comprehensive report  
has just been submitted by the team  
and that also we are examining. On  
the basis of it, we hope to take fur-  
ther steps.

## WRITTEN ANSWERS TO QUES- TIONS

### EXPERIMENTS ON VANASPATI

\*446. SHRI SANKAR PRATAP  
SINGH DEV: Will the Minister of  
FOOD AND AGRICULTURE be pleased to  
state:
