

(b) In addition to (a) above, SEBI has also prescribed detailed requirements for Know Your Customer (KYC) for securities markets related transactions in August, 2004 and December, 2009. SEBI has advised in September, 2002 that as part of recommended best practice, cash applications should not be permitted and redemptions should only be made to a bank account. In December, 2008 SEBI has issued a circular regarding Anti Money Laundering (AML) Standards/Combating Financing of Terrorism (CFT)/Obligations of Securities Market Intermediaries under Prevention of Money Laundering Act, 2002 and Rules framed thereunder. In December, 2009, it has reiterated that the requirements as mentioned in the circular issued in December, 2008 are applicable to the Mutual Funds/Asset Management Companies (AMCs) and hence maintaining all the documentation pertaining to the unit holders/investor is the responsibility of the AMC. Further, AMCs were also directed in August, 2010 that: (a) all new folios/accounts shall be opened only after ensuring that all investor related documents including account opening documents, PAN, KYC, Power of Attorney (PoA) (if applicable), specimen signature are available with AMCs/RTAs and not just with the distributor and (b) for existing folios, AMCs shall be responsible for updation of the investor related documents including account opening documents, PAN, KYC, PoA (if applicable), specimen signature.

(c) SEBI has reported that the aforementioned guidelines have facilitated establishing identity of the investor and audit trail of transactions.

People infected with Japanese Encephalitis

2070. SHRI N.K. SINGH: Will the Minister of HEALTH AND FAMILY WELFARE be pleased to state:

(a) the number of people infected with Japanese Encephalitis (JE) this year, State-wise;

(b) the availability and coverage of vaccine against the disease, State-wise; and

(c) the steps taken by Government other than vaccination in the infected districts?

THE MINISTER OF HEALTH AND FAMILY WELFARE (SHRI GHULAM NABI AZAD): (a) Eight confirmed cases of Japanese Encephalitis (JE) have been reported till 3.03.2011 during the current year as reported only from Uttar Pradesh.

(b) State-wise details of the vaccine supplied and coverage of vaccine are given in the Statement (See below).

(c) For prevention and control of vector-borne diseases including JE, Government of India is implementing an integrated National Vector borne Disease Control Programme (NVBDCP) under the overarching umbrella of National Rural Health Mission (NRHM). The

strategy for prevention and control of vector-borne diseases focuses on integrated vector control, early case detection and appropriate treatment and behavior change communication (BCC). Government of India provides technical support and also supplements the States by providing funds and commodities as per their annual requirements approved under NRHM. However, the programme is primarily being implemented through the State Government.

Statement

State-wise details of the vaccine supplied and percentage coverage of vaccine

Sl. No	State	No. of Districts covered	Name of Districts covered	Vaccine supplied (in lakh doses)	% coverage
1	2	3	4	5	6
