

**EXEMPTION OF DUTY GRANTED TO  
SMALLER STRAWBOARD UNITS**

\*384. SHRI SITARAM JAIPURIA: Will the Minister of FINANCE be please<sup>^</sup> to state:

(a) whether it is a fact that smaller units producing strawboard have been granted special exemption of Duty;

(b) if so, what are the reasons for giving such an exemption; and

(c) whether Government propose to extend similar exemption to small sugar factories?

THE MINISTER M- PLANNING (SHRI B. R. BHAGAT): (a) Prior to 1-3-1964, slab exemptions with preferential rates of duty were available only to smaller units producing straw-board. However, slab exemptions have been now extended to all manufacturers irrespective of their output on equitable considerations.

(b) The rate of duty on 'Straw Boards' was raised from 15 r.P. per Kg. to 35 nP. per Kg. in 1963, bringing the 'Straw Board' fully on par with—'Mill Boards' and 'Grey Boards'. Simultaneously liberalised slab exemption<sup>^</sup> with preferential rates as enjoyed by Mill-Boards were prescribed to help the smaller units, manufacturing strawboards also. However, as this gave excessive benefits to marginal producers, the scheme has had to be further revised.

(c) No, Sir.
